

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

Clearwater, Kamloops, Merritt, Vernon (Hybrid)

Flexible work options are available; this position may be able to work 2 or more days at home per week subject to an approved telework agreement.

Employees of the BC Public Service must be located in BC at the time of employment.

Regional Forest Stewardship Specialist

\$77,718.46 - \$99,452.15 annually

The Regional Forest Stewardship Specialist provides professional expertise and recommendations to multi-disciplinary practitioners and decision-makers within the forest stewardship and resource management program area. This position plays a critical role in supporting the development and implementation of tactical and strategic plans. This position also ensures linkages between silviculture and forest stewardship strategies, related program initiatives, and field practices for managing multiple resource values.

In this role, you will be involved in government-to-government, public, and professional engagement, providing expertise and guidance in forest stewardship. The forest stewardship areas of focus will be to support harvesting/silviculture systems decisions, old growth management and the Old Growth Strategic Review, silviculture investment and practices, strategic and operational planning (e.g. wildfire risk reduction, dry forest management), habitat plans and decision support, access management, watershed management, resource monitoring, legislation, policy, and elsewhere as required throughout the Thompson Okanagan Region.

Explore the value of working with our team: Why Work for the Ministry of Forests.

Qualifications for this role include:

- Registered, or immediately eligible for registration, as a Registered Professional Forester (RPF) with Forest Professionals BC (FPBC). Note: immediately eligible for registration is defined as being able to transfer a current membership from an applicable jurisdiction to the BC association within six (6) months of employment. Confirmation of registration/eligibility is required before an offer of employment can be made.
- Degree (or higher), in the natural resource field or equivalent as recognized by the Forest

Professionals BC (FPBC).

- Must have a minimum four (4) years recent forestry experience (within the last 7 years).
- Experience in managing project teams.
- Experience or knowledge in implementing provincial and regional First Nations consultation procedures.
