

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

The Opportunity

Our Fort St. John, BC branch is looking for a Heavy Duty Mechanic (On-Road) who will be responsible for performing maintenance, inspections and repairs on our fleet of company light duty trucks, heavy duty trucks and equipment.

Why work for Clean Harbors

- Health and Safety is our #1 priority and we live it 3-6-5!
- Competitive hourly wage \$42-\$44/hour, depending on experience;
- Comprehensive health benefits coverage after 30 days of full-time employment;
- Generous paid time off, company paid training and tuition reimbursement;
- Positive and safe work environments;
- Opportunities for growth and development for all the stages of your career.

Key Responsibilities:

- Ensure that Health and Safety is the number one priority by complying with all safe work practices, policies, and processes and acting in a safe manner at all times;
- Ensure that all equipment is properly secured prior to work/repairs, (i.e.: uses chock blocks and jack stands);
- Correct all equipment deficiencies and performs preventative maintenance tasks on company vehicles and equipment;
- Perform thorough inspections of equipment and identifies required repairs;
- Perform routine and specific maintenance tasks;
- Troubleshoot, diagnose and repair equipment and light and heavy duty vehicles;
- Disassemble, inspect and replace worn or broken parts;
- Fit and adjust new or repaired parts;
- Complete and submit all associated paperwork as required for tracking Preventative Maintenance schedules;

- Fill out and submit all required documentation in an accurate and timely manner;
- Ensure the shop area is kept clean, tidy and free of hazards at all times.

What does it take to work for Clean Harbors

- Completion of Journeyman Heavy Equipment Technician (HET) - On-Road certification is an asset;
- 3rd or 4th year Apprentice is required;
- 2-years' experience working as a Heavy Equipment Technician (On-Road);
- Previous experience working on Hydrovac and Vac Trucks is an asset;
- Class 5 drivers' license with clean 5-year driver's abstract.
