

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

<b>Company</b>	CEDA	
<b>Location</b>	Fort McMurray, Alberta	
<b>Date Posted</b>	From: 2019-06-17	To: 2050-01-01
<b>Job</b>	Type: Full-time	Category: Engineering

### Description

CEDA is seeking a successful candidate who will be responsible for the maintenance, inspection and minor repair of the inside, outside and exterior areas around large buildings and complexes (including the roof), as well as the various systems within all CEDA facilities, including ventilating, renovations, plumbing, air conditioning, water and water treatment, heating and electrical systems.

Key Duties & Responsibilities:

- Monitors electrical and plumbing systems and inspects and verifies emergency power, fire suppression and sprinkler systems
- Selecting, maintaining and using hand and power tools
- Travel from site to site, inspect facility buildings and grounds for routine maintenance; prioritize repairs and renovations
- Maintaining and troubleshooting roofing and gutters
- Inspecting exterior grounds, cleaning up and maintaining ground facilities
- Communicating and liaising with contractors and company representatives
- Accompanying vendors and contractors to ensure proper execution of services and vendor safety as per CEDA's permit policy
- Performs minor electrical maintenance to include but not be limited to replacement or repair of fixtures (e.g. wall switches and outlets, incandescent and fluorescent bulbs and tubes, ballast, sockets, fuses, minor appliances, cords, etc.)
- Performs minor plumbing maintenance (e.g. replacement or repair of leaks in drains and faucets, unclogging of drains, replacing drain hoses on washers and similar devices, etc.).
- Performs minor painting, carpentry and masonry work (e.g. preparing surfaces and using brush, sprayer, or roller to apply paints, stains, and varnishes, hanging doors, fitting locks and handles, etc.).
- Reconfigures, installs, positions, and remounts modular office furniture and space (e.g. furniture, wall panels, work surfaces, storage bins, lighting, file cabinets, white boards etc.) to accommodate user needs and maximize office space using various hand, power and specialty tools, dollies and hand trucks.
- Janitorial work for main CEDA office building as needed
- Run facility related errands and tasks as directed

### Role Specifications

- Completion of Grade 12 High School Diploma
- Journeyman Trade Ticket Required
- 10-15 years' experience in supporting facilities maintenance required
- Good mechanical aptitude, analytical skills and the ability to work with one's hands
- Basic understanding of electrical, plumbing and carpentry is a plus
- Experience managing and overseeing third party services required
- Experience with HVAC systems and repairs considered an asset
- Knowledgeable about basic Building and Fire Codes and permits
- Proven time management skills, multi-tasking and the ability to successfully handling multiple projects with constantly changing priorities
- Strong English communication skills, both written and verbal
- You possess an uncompromising commitment to health and safety
- Obtain a negative result on drug and alcohol test
- Provide reasonable driver's abstract (no more than 4 demerits and/or three moving violations in the last three years)
- Provide a reasonable criminal record history
- Provide three work related references
- Ability to work with minimal supervision

The above statements are intended to describe the general nature and level of work being performed. They are not intended to be an exhausted list of all responsibilities, duties and skills required.
