

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Business Analyst, Liquids CommercialReference Code: 59287

Location: Canada (CA) - Calgary, AB Job Category: Accounting/Finance; Communications/MarketingEmployment Type: Employee

Full-timeRelocation Eligibility: This position is not eligible for our relocation programApplication Deadline: 07/26/2019 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously.Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges. The opportunityOur Liquids Commercial group is evolving to meet the needs of our growing business and we are expanding our presence in Calgary, AB to support the review and reconciliation of volumes moving through the Liquids Pipeline System. We are seeking a self-starter Business Analyst who has knowledge and experience in monitoring the activity of select assets and generating reports and analysis while liaising and coordinating information with various functional areas such as Scheduling, Field Operations, Accounting, Engineering and Information Services. This individual has the proven skills, competencies and capacity to effectively collaborate and communicate effectively with external stakeholders and cross functional groups within TC Energy. You are able to manage and thrive with tight, competing deadlines with diplomacy and acute accuracy. You are comfortable working with ambiguity. What you'll do

- Monitor Keystone Custody ticketing activity and reconcile to the monthly reporting system
- Verify feeder receipt and delivery tickets each month end
- Calculate pipeline gain/loss and allocate between commodities and pipeline systems
- Calculate and prepare shipper balances by commodity and customer
- Reconcile terminal activity and calculate terminal gain/loss
- Prepare terminal invoices and balances
- Respond to ad hoc reporting requests from other departments
- Generate regulatory reports to meet the needs of various stakeholders

#### Minimum qualifications

- Completed undergraduate degree in Business or Finance or related field
- Four (4) years relevant work experience
- Demonstrated interpersonal and communication skills
- Strong analytical and problem-solving skills
- Demonstrated ability to anticipate and proactively resolve issues

#### Preferred qualifications

- Working knowledge of SAP
- Experience with Sharepoint (or similar database systems to manage activity)
- Advanced experience with MS Excel
- Oil and Gas experience

About our businessTC Energy (formerly TransCanada) is a leading energy infrastructure company in North America. We have three complementary businesses of natural gas pipelines, liquids (oil) pipelines, and power generation. Our operations span three countries, seven Canadian provinces, and 34 U.S. states.Our 4,900-kilometre (3,000-mile) liquids pipeline system connects growing continental oil supplies to key markets and refineries. The Keystone Pipeline System delivers approximately 20 per cent of western Canadian exports to key refinery markets in the U.S. Midwest and Gulf Coast, where it is converted into fuel and other useful petroleum products.
