

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Senior Legal Counsel, Stakeholder & Supply Chain Law (Land Law) Reference Code: 59522

Location: Canada (CA) - Calgary, AB Job Category: Legal Employment Type: Employee Full-time Relocation Eligibility: This position is not eligible for our relocation program Application Deadline: 10/15/2019 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges. The opportunity This position will report to the Manager, Land Law. The successful candidate will be responsible for providing primarily land (surface rights), land-regulatory and landowner-related legal advice and services on Canadian projects and matters to departments in the Gas, Liquids and Power business units. Effective collaboration with corporate/commercial and regulatory legal colleagues will be required. What you'll do

- Provide support, guidance, and legal opinions with respect to various land issues and strategies
- Draft land acquisition, land-rights and other land-related agreements
- Work independently on complex legal matters and projects
- Support land-related aspects of regulatory filings with federal and provincial regulatory boards and other administrative tribunals and agencies
- Negotiate various matters on TC Energy's behalf
- Work in conjunction with and provide informal leadership and direction to junior lawyers and external legal counsel
- Provide mentorship to more junior members of the group in complex legal matters and strategies
- Provide support to the broader Stakeholder and Supply Chain Management Law group as required; and
- Other tasks as required.

Minimum Qualifications

- Law degree from a Canadian law school or an ABA accredited law school required
- Membership or eligible for membership to the Alberta Bar
- Minimum of 10 years of total legal experience including a minimum of 5 years of direct land or regulatory law experience and direct experience working as a project lawyer; although candidates with a different combination of education and experience may be considered
- Strong knowledge of and familiarity with applicable federal and provincial laws, regulations and practices
- A general understanding of the pipeline businesses and regulatory framework in which we work; and
- Non-legal energy industry experience would be an asset.

Preferred Qualifications

- Strong communication and advocacy skills, both oral and written
- Strong commercial/business acumen
- Strong organizational skills and an ability to support diverse client groups and handle multiple files
- Demonstrated ability to be lead counsel on complex matters
- Demonstrated ability to complete complex legal tasks within tight deadlines
- Strong interpersonal skills and the ability to work well both independently as well as in a team environment
- Exhibited informal mentoring skills
- An ability and willingness to travel within North America as required; and
- Experience in proceedings before federal and provincial energy regulatory boards and tribunals, including surface rights compensation, an asset.
