

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

LOCATION: Calgary, Alberta (CA-AB)

JOB NUMBER: 31362 Why you should join us: Are you a dedicated incident investigator with a keen eye and distinct ability to remain calm in even the most stressful scenarios? Would you like an opportunity to showcase these outstanding skills? If so, we need a seasoned professional to lead high-profile investigations in a comprehensive and conclusive manner. You will use your expertise to:

- Support incident investigations through scope and planning
- Perform high-visibility incident investigations, with the objective of determining the root cause
- Apply industry methodologies, internal guidelines, and regulatory requirements for all aspects of investigations
- Perform hands-on investigation tasks, such as evidence collection, collection of witness statements, and documentation review
- Collaborate with all aspects of the business, including health and safety professionals, business leaders, and technical experts
- Report findings of investigations in a detailed manner, providing concrete recommendations
- Assess current performance and implement improvements to process

We'd like to review your application if you have... Must-haves (minimum requirements):

- 10 years of experience of root cause analysis and investigations
- Prior experience working within governing standards of incident management
- TapRoot, or similar root cause systems experience
- Enablon, or similar incident management system experience
- A Bachelor's degree or technical diploma
- A valid driver's licence and a clean driving record
- Comfortability working under pressure
- Critical and inquisitive thinking skills; you are a rational thinker, but have the ability to think outside-the-box
- The capability to synthesize confidential details, then tactfully present findings
- Strong collaboration skills that enables you to build strong, positive relationships with diverse groups
- Sound technical writing and presentation abilities
- Strength utilizing Microsoft Office products, specifically Word and Excel
- Alignment with our values of: safety above all else, respect, raise the bar, commitments matter and do the right thing

Preference for:

- Experience with fatality investigations
- Oil and gas industry experience
- A Health and Safety professional designation, such as CRSP, CSP, or similar
- A continuous improvement mindset and are able to seek greater knowledge

Where you'll be working, your work schedule, and other important information:

- You will work out of our Calgary head office, located in the Suncor Energy Centre at 150 – 6th Ave S.W.
- Hours of work are a regular 40-hour work week, Monday to Friday, with the potential for extended work hours based on business needs
- Travel to various sites is required

Relocation support will be provided; we offer highly competitive housing assistance to eligible individuals.
