

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

To: 2050-01-01

Job Type: Full-time

Category: Resource Sector

Description

Administrative AssistantReference Code: 60860

Location: Canada (CA) - Calgary, AB Job Category: AdministrationEmployment Type: Employee

Full-timeRelocation Eligibility: This position is not eligible for our relocation programApplication

Deadline: 10/18/2019 The opportunityOur Quality, Compliance & Technical Learning team is

seeking a driven Administrative Assistant who is passionate, a self-starter and has knowledge and

experience in managing budgets, rolling action item lists (RAIL), and reporting on a regular

basis.This role will report to the Director of Quality, Compliance & Technical Learning within the

technical center and will support a team of approximately 105 core and contract positions. As a

support role working within the technical center, the focus is to enable the team to attain the goals

and targets set out annually.What you'll do

- Manage complex administrative tasks such as documents, weekly reports, data/information analyses and PowerPoint presentations for internal and external audiences
- Manage all administrative tasks including taking meeting minutes, document formatting and editing, creating and managing SharePoint sites, expense reports, filing systems and timesheets for Director and the department as required
- Professionally managing highly confidential and sensitive information such as salaries, budgets and other Company data/information
- Manage the Director's calendars which includes coordinating meeting logistics, booking rooms, AV support, catering, etc.
- Preparation and analysis of department budgets as well as managing invoicing
- Provide direct administrative support to the Director, as well as the management team in addition to general support for the department when required
- Assisting with vehicle fleet coordination for the department which includes tracking and logistics
- Keep abreast of the organizational and department changes and provide updates as required
- Onboarding logistics of core employees, contractors and summer students
- Other tasks and projects as required

Minimum Qualifications

- Completed high school diploma (or equivalent) from a recognized institution is a requirement
- Diploma or Certificate in Administration from a recognized institution is an asset

- A minimum of six (6+) or more years of progressive administrative experience is required
- Strong knowledge of Microsoft Office computer skills (Excel, Word, PowerPoint and Outlook)
- Well-developed organizational and multi-tasking skills and the ability to be flexible and work well under pressure in a fast-paced environment with changing priorities and circumstances
- Exercise judgment and capacity to work collaboratively with others in a team setting
- Demonstrate strong verbal and written communication skills and the capability to manage information and data
- Energetic individual who is a self-starter, has a willingness to help the team and an ability to learn and adapt quickly
- Strong interpersonal skills, professional demeanor and demonstrated ability to work cross-functionally with stakeholders at multiple levels
- Ability to work with a high discretion of confidentiality

Preferred Qualifications

- Knowledge of SAP is considered an asset
- Knowledge working with SuccessFactors or an applicant tracking system as well as experience onboarding new hires and contractors is considered an asset
- Previous experience working in the energy industry
- Proven organizational, planning and prioritization skills
- Ability to work in a fast-paced environment, manage tight deadlines and work independently with minimal supervision
