

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests, Lands, Natural Resource Operations and Rural Development

1 position is available in Dawson Creek, Fort Nelson or Fort St. John

This position is also posted as an STO under Requisition 57381

Section Head

\$67,495.11 - \$84,301.57 annually

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development (FLNRORD) is responsible for stewardship of the province's Crown land and natural resources. Overseeing a land base of 94.8 million hectares, the ministry; makes, supports and advises on stewardship decisions for BC's land and resources; and delivers services to provide environmental, economic, cultural and social benefits for all British Columbians.

Resolving resource issues and enhancing certainty for environmental and economic goals requires exploring a variety of strategic approaches and opportunities. These resource initiatives are important to advance reconciliation with Indigenous peoples and sustain important ecosystems and processes. Through exploration of innovative and strategic approaches to managing natural resources, that uses socio-economic analyses as well as assessment and monitoring of the condition of natural resource values, the province can provide direction for forestry, energy development, ecosystem protection, recreation activities and other resource use decisions.

The BC Public Service offers a healthy work/life balance, excellent benefits, including one of the best pension plans available, and a variety of opportunities for career learning and development. Regular, full time Professional Employee Association members are also entitled to 7% allowance in Lieu of Overtime Shiftwork and Standby (taken as time or money), have a 35 hour work week, and 4 weeks' annual paid leave entitlement. To find out more, explore What the BC Public Service offers You

Qualifications for this role include:

• Degree in a related professional field or equivalent as recognized by the relevant association, and 5 or more years' experience working in a natural resource discipline.

• Registered, or immediately eligible for registration, as a fully licensed professional with the British Columbia professional association as required by the specialty area (i.e. Association of Forest Professionals, Institute of Agrologists, Association of Professional Engineers & Geoscientists).

• Demonstrated recent and relevant experience managing technical and/or professional staff in natural resource management in a direct, matrix or project management environment

• Demonstrated experience in a multiple stakeholders and partners environment understanding perspectives, conflicts and facilitating / developing solutions.

• Experience related to First Nations Consultation, collaboration and relationship building.

• Valid British Columbia Class 5 driver's license

• May require the operation of a variety of equipment such as all terrain / off road vehicles.

### How to Apply

For more information and to apply online by February 7, 2019, please go to: <https://bcpublicservice.hua.hrsmart.com/hr/ats/Posting/view/57384>

Attention: only applications submitted through the BC Public Service's employment website (see link above) will be accepted.
