

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Canadian Pacific is a transcontinental railway in Canada and the United States with direct links to major ports on the west and east coasts, providing North American customers a competitive rail service with access to key markets in every corner of the globe. CP is growing with its customers, offering a suite of freight transportation services, logistics solutions and supply chain expertise. Visit cpr.ca to see the rail advantages of CP. PURPOSE OF THE POSITION: Reporting to the Manager, Commodity Tax, the successful candidate's primary duties will include: Accurately preparing and filing prescribed commodity tax returns and refund claims in a timely manner (including GST/HST, QST, PST, fuel tax, and carbon tax); Analyzing tax reports, tax account balances, and related documents to ensure the accurate accounting of the federal and provincial commodity tax liabilities and refunds to minimize penalty and interest charges; Assisting in the completion of government commodity tax audits and refund reviews; and Providing general commodity tax advice to the business units.

POSITION ACCOUNTABILITIES: Reconciling and analyzing monthly tax account balances and details to confirm their validity and investigating variances; Accurately preparing and filing all assigned commodity tax returns prior to the legislated deadlines, as well as reviewing and reconciling the related notices of assessment; Reviewing specific transactions for commodity tax compliance and minimization and making any appropriate adjustments; Monitoring and improving the commodity tax return process and identifying commodity tax opportunities and exposures; Responding to routine commodity tax queries from business units; Assisting in developing and executing commodity tax compliance and recovery initiatives; and Assisting the Manager, Commodity Tax to assess the effects of commodity tax legislation changes, including maintaining and validating SAP tax logic.

POSITION REQUIREMENTS: Undergraduate degree in accounting, finance, or information technology, or equivalent experience; Keen interest in learning commodity tax and building a longterm career in commodity tax; Ability to read and understand legislation and governmental administrative policies; Knowledge of railway business would be an asset; Strong analytical skills and attention to detail; Able to prioritize workload under tight and firm deadlines; and Strong analytical and communication skills.

- To be considered for the Specialist position, the following additional items are required: Accounting designation or equivalent experience; At least four years of commodity tax experience or SAP experience; Demonstrated independent worker; Demonstrated ability to take initiative; and
- Experience in effectively communicating with larger or important groups.

WHAT CP HAS TO OFFER:

- Flexible and competitive benefits package
- Competitive company pension plan
- Employee Share Purchase Plan
- Performance Incentive Program
- Annual Fitness Subsidy

ADDITIONAL INFORMATION: As an employer with national presence, the possibility does exist that the location of your position may be changed based on organizational requirements. Background Investigation: The successful candidate will need to successfully complete the following clearances:

- Criminal history check
- Reference check

Management Conductor Program: Becoming a qualified conductor or locomotive engineer is the single best way for a management employee to learn the business at CP. You may be required to obtain a certification or to maintain your current certification/qualification as a conductor or locomotive engineer. CP is an equal opportunity employer committed to the principles of employment equity and inclusion. We welcome applications from all qualified individuals. All applicant information will be managed in accordance with the federal Personal Information Protection and Electronic Documents Act ("PIPEDA").
