

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

ABOUT US

We're one of Canada's largest pension investment managers, with CAD\$264.9 billion of net assets as at March 31, 2024.

We invest funds for the pension plans of the federal public service, the Canadian Forces, the Royal Canadian Mounted Police and the Reserve Force. Headquartered in Ottawa, PSP Investments has its principal business office in Montreal and offices in New York, London and Hong Kong.

Capturing and leading complex global investments requires us to work as one to seize valuable opportunities, in close collaboration with some of the world's top companies. At PSP, you'll join a team of motivated and engaged professionals, dedicated to propelling our organization further than ever before.

EXPERIENCE THE EDGE

At PSP, we encourage our employees to grow, forge powerful relationships, contribute and fuel inspired investment launchpads. We are committed to a culture that fosters collaboration and allows us to think beyond, in an interconnected way. We advocate for our employees to speak-up, learn, experiment, share, and be part of an inclusive work environment where diversity is embraced.

ABOUT YOUR ROLE

We are looking for a Manager, Natural Resources Investments ("NR") who will be closely involved in the development and investment management of the NR portfolio (C\$15.2 billion in net assets under management as of March 31, 2024), through his/her involvement in the execution and monitoring of direct investments and strategic partnerships in the global natural resources sector. The person hired will be directly involved and responsible for activities related to deal sourcing, investment selection, financial analysis, sector analysis, transaction due diligence and asset management of portfolio companies. The Manager will participate in the investment decision-making process, the preparation of investment recommendation memoranda, as well as the research of industry trends within a dynamic and industry-leading group.

As a Manager, Natural Resources Investments, you'll:

Lead investment analysis and execution of transactions

- Screen and analyze investment opportunities, identify key investment merits and risks, and actively contribute to developing an investment thesis
- Supervise financial modeling, lead various analyses, and coordinate business due diligence alongside industry experts
- Perform in-depth due diligence of potential investments, coordinate advisors and workstreams, meet with management teams, industry experts, and review documentation
- Coordinate closely with internal business partners and advisors including operational, ESG, legal, and tax matters
- Draft presentation materials and prepare investment recommendation memorandums for approval by internal committees
- Participate in investment recommendation presentations to various internal committees and PSP's Board of Directors as required

Actively participate in NR Group's growth and value creation process

- Meet with prospective partners and industry experts

- Perform active networking with experts, consultants, peers and other industry players
- Support the growth and development of the group's analysts and associates
- Attend conferences, organize meetings and keep abreast of industry and sector trends
- Interact with management and operating partners. Coordinate monthly update calls and pipeline meetings with portfolio companies
- Review board and budget materials of portfolio companies as well as make recommendations as required
- Participate in portfolio company board meetings and/or other advisory committees

WHAT YOU'LL NEED

- Bachelor's degree in business, Finance or related fields; Graduate degree or MBA an asset
- Professional designation: CFA an asset
- Minimum of six (6) years of experience in private investments, investment banking, consulting, corporate finance, equity research, or in a natural resources company
- Interest in the agriculture, more specifically in timberland, and critical minerals sectors; prior knowledge in natural resources an asset
- Excellent financial and analytical skills; superior proficiency with business software and analytical tools
- Strong communication and presentation skills
- Project management skills and ability to meet tight deadlines
- Good attention to detail and presentation of information
- Ability to demonstrate leadership and sound business judgement
- Experience working on private investments in Australasia and/or Europe will be considered an asset
- Good communications skills in English and French (or willingness to learn) *Regular interactions in English with investment partners based outside of Quebec Example: peers, bankers, brokerage firms, etc. and PSP employees in our offices in Hong Kong, London and New York, and interactions in French with employees in our local offices in Montreal and Ottawa.

We offer a tailored employee experience and competitive total rewards and benefits package* designed to attract and retain global diverse talent, reward performance, and reinforce business strategies and priorities. Beyond salary and incentive pay eligibility, you have access to:

- Investment in career development
- Comprehensive group insurance plans
- Competitive pension plans
- Unlimited access to virtual healthcare services and wellness programs
- Gender-inclusive paid family leave policy: up to 26 weeks for primary caregivers, 5 weeks for secondary caregivers
- Vacation days available on day one with additional days on milestone service anniversaries, and summer Friday afternoons off
- A hybrid work model with a mix of in-office and remote days

*Benefits package may vary based on your employee type.

At PSP, we aim to provide an inclusive workplace where we leverage diversity and where everyone feels valued, safe, respected and empowered to grow. As part of this leadership commitment, we strongly encourage applications from all qualified applicants and strive to offer an inclusive and accessible candidate experience. If you require any accommodation for any part of the recruitment process, please let us know.
