

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Requisition ID: 200316

Join a purpose driven winning team, committed to results, in an inclusive and high-performing culture. The Senior Manager, Enterprise Risk is a key role within GRM to produce and coordinate risk reporting for Board, Senior management and other internal stakeholders including performance of a second line challenge role in the context of regulatory action plans, GRM self-assessment and other support roles. Is this role right for you In this role, you will:

- GRM self-assessment
- Actively participating in the GRM self-assessment, including enhancements to methodologies, procedures, testing templates and reporting.
- Support Management in determining annual strategy, roadmap and overall direction for the GRM Risk self-assessment program.
- Lead the design and operating evaluation of in-scope GRM assessable units against established criteria.
- Manage issues/gap identification including drafting and communication/discussion with Stakeholders.
- Collaborating with all stakeholders & risk subject matter experts, senior management and report users to ensure timely delivery of accurate, complete and meaningful risk reports, producing regular and ad-hoc risk reports.
- Responsible for coordination and production of risk material for senior management, Board of Directors, external and internal stakeholders.
- Creation and sustainment of procedures that support the execution of key accountabilities.

- Other projects/initiatives

- Participate in Regulatory initiatives including status reporting on regulatory issues and assisting in regulatory initiatives and/or submissions.
- Lead and manage projects and initiatives that improve the efficiency and effectiveness of department operations such as identify process improvements and resolve audit issues.
- Leverage technology to enhance the efficiency of the Self-assessment process and reporting environment.

- Understand how the Bank's risk appetite and risk culture should be considered in day-to-day activities and decisions. Actively pursues effective and efficient operations of his/her respective areas, while ensuring the adequacy, adherence to and effectiveness of day-to-day business controls to meet obligations with respect to operational risk, regulatory compliance risk, AML/ATF risk and conduct risk, including but not limited to responsibilities under the Operational Risk Management Framework, Regulatory Compliance Risk Management Framework, AML/ATF Global Handbook and the Guidelines for Business Conduct.

Do you have the skills that will enable you to succeed in this role We'd love to work with you if you have experience with:

- Role will require good understanding of various risk disciplines and GRM processes
- Four (4) plus years in an audit and/or quality assurance role; And, Two (2) plus years preparing reporting to the Board and Senior Executives
- Able to draft issues and present to Stakeholders/Executives.

- Familiarity/Knowledge of applicable External Regulations/Guidelines and BNS Policies/Framework relevant to Self-Assessment process.
- Expert interpersonal and relationship building skills and strong communication skills are essential to influence and collaborate effectively with others
- Superior analytical skills, high degree of judgment, and attention to detail
- Ability to work on complex projects independently, within tight deadlines, adapts to changing deadlines while delivering quality material.
- Excellent organizational skills are required to manage multiple and concurrent deliverables.
- Audit experience preferred

What's in it for you

- The opportunity to join a forward-thinking and collaborative team, surrounded by innovative thinkers
- A rewarding career path with diverse opportunities for professional development
- Internal training to support your growth and enhance your skills
- An inclusive working environment that encourages creativity, curiosity, and celebrates success!
- Work in an Ecosystem; a bright, modern space where you'll have access to group seating, offices, collaboration spaces, a cafeteria with different options daily, a bistro, and more
- Hybrid Work Environment

Location(s): Canada : Ontario : Toronto
