

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Requisition ID: 201034

Join a purpose driven winning team, committed to results, in an inclusive and high-performing culture. Purpose: The Senior Business Analyst Reporting is responsible for contributing to Private Banking's overall success by providing credit and sales support to the Private Banking Account Management teams, assisting with the monitoring of all business plans and assisting with product offering and development activities. In addition, the analyst is responsible for supporting the business line for all retail and commercial support systems. Is this role right for you In this role you will: Provide ongoing field support to Private Banking units within Scotia Wealth Management by:

- Offering expert advice and counsel
- Take the lead with reporting
- Providing sales support for areas not supported by external groups
- Assisting with the roll out of new initiatives impacting Private Banking units
- Maintaining a working knowledge of the day to day operation of the Private Banking Units in order to effectively communicate with all levels of staff

Manage the preparation and dispatch of Financial Reporting:

- Researching service and product related requirements
- Playing a crucial role in optimization and automation of financial reporting preparation processes
- Consolidating/aggregating data from multiple sources
- Organizing the data collected in a clear, consistent manner
- Investigating variances and discrepancies proactively as they occur providing commentary to senior management and Private Banking Units

Support and monitor National profit plan targets by:

- Assisting with the preparation of annual, quarterly and monthly financial analysis reports
- Monitoring national and individual units performance against plan
- Providing interim financial reporting support
- Assisting with the preparation and validation of quarterly and annual compensation payments

Contribute to the effective functioning of the Private Banking Head Office team by:

- Participating actively in team learning development activities and team performance achievements.
- Building effective working relationships across the team and with various business line and corporate function contacts
- Maintaining a high level of client service
- Facilitating a culture of open and honest communication
- Actively participating and contributing to touch bases and team meetings
- Encouraging the generation of new ideas and approaches
- Actively share knowledge and experience to enhance the development of all team members
- Developing and executing a meaningful employee development plan

Do you have the skills to enable you to be successful in this role We would love to work with you if you have:

- University or Community College degree preferred in Finance or Mathematics or Computer Science
- Must have good knowledge of the broad Wealth management offering, including the services of Private Banking, and

familiarity with the Bank's International Private Banking offering.

- Strong knowledge of Private Banking operations and sales environments
- Knowledge of Process Mapping and Business Architecture, including use of related software/tools
- Thorough business analysis, analytical and creative problem solving skills
- Proven judgment as issues can be complex and without precedent.
- Strong written and verbal skills required to prepare communications and interact effectively with other Bank departments and external parties;
- Excellent time management skills
- Expert analytical skills
- Thorough PC skills including Power BI, Python, SQL, VBA, Excel
- Thorough knowledge of field various reporting tools
- Strong written and verbal communication skills
- Strong knowledge of Retail and Commercial Lending policies and procedures
- Ability to work with others of varying levels, expertise and skills

Location(s): Canada : Ontario : Toronto
