

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

About Toronto Metropolitan

At the intersection of mind and action, Toronto Metropolitan University (TMU) is on a transformative path to become Canada's leading comprehensive innovation university. Integral to this path is the placement of equity, diversity and inclusion as fundamental to our institutional culture. Our current academic plan outlines each as core values and we work to embed them in all that we do. TMU welcomes those who have demonstrated a commitment to upholding the values of equity, diversity, and inclusion and will assist us in realizing the benefits of embedding these values into the work at every level and in every unit of the university. In addition, to correct the conditions of disadvantage in employment in Canada and to bring lived experiences to the work, we encourage applications from members of equity deserving groups that have been historically disadvantaged and marginalized, including First Nations, Metis and Inuit Peoples in Canada, First Nations Peoples in the United States, racialized people, Black people, persons with disabilities, women, and 2SLGBTQ+ people. Preference will be given to candidates with lived experiences as people from equity deserving groups, as well as experience working with these communities with which the University works every day. Please note that all qualified candidates are encouraged to apply and we welcome newcomers and immigrants to Canada. In April 2022, the university announced its new name of Toronto Metropolitan University. Learn more about our next chapter.

About the Creative School The Creative School at TMU houses 26 media, communication and design-related programs including journalism, performance, interior design, and film, among others. Renowned for its distinctive and vibrant culture of creative activities and research, its innovation spaces make up a dynamic ecosystem like no other place in which faculty and students work closely with community and industry partners to engage in path-breaking initiatives dedicated to real-world transformation.

The Opportunity

The Printing and Packaging Technician is responsible for operating and maintaining equipment, materials, software, as well as maintaining the facilities and their daily operations. The role advises students and faculty/instructors on safe use of the facilities, equipment and software using a variety of formats (ex. live demonstrations or video recordings). The role performs administrative duties and supports special events. **Qualifications** To help us learn more about you, please provide a cover letter and resume describing how you meet the following required qualifications:

- Completion of a post-secondary diploma program in Printing/Graphic Arts
- Minimum 4 years' experience operating and maintaining multi-colour offset, flexographic and digital printing presses
- Experience operating and maintaining binding and finishing equipment including guillotine cutters, saddle stitchers, perfect binders and buckle folders.
- Experience operating package prototyping equipment such as cutting tables, laminators and roll fed print/cutters.
- Ability to operate, maintain and demonstrate equipment and facilities, including multi-colour offset, flexographic and digital printing presses, bindery and packaging equipment, related computers and software, and a variety of testing instrumentation.
- Competency using computers (both Windows and Macintosh).

- Demonstrated knowledge of delivering information to audiences of various skill levels and preparation of instructional materials (in a variety of formats) to help facilitate safe use of equipment.
- Demonstrated written and oral communication and presentation skills.
