

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

This position can be based in one of the following offices of the Ministry of Forests: Victoria, Kamloops, Nanaimo or Prince George; other locations may be considered based on the operational requirements of the position.

Flexible work options are available; this position may be able to work up to two (2) days at home per week subject to an approved telework agreement.

Manager, Forest Inventory

\$105,900.12 - \$140,800.04 annually

The Ministry of Forests is responsible for the stewardship of provincial Crown land and ensures the sustainable management of forest, wildlife, water and other land-based resources. The Ministry manages these resources in a manner that embraces the government's economic, environmental and social goals.

The Manager, Forest Inventory leads professional, scientific and technical staff in the development, collection and delivery of a coordinated program for the estimation, projection and monitoring of the provincial forest resources. This role ensures comprehensive, consistent and reliable statistical and analytical techniques, standards, quality assurance procedures, information and decision support tools for all inventory information. It also provides advice, information and reports regarding the provincial forest resource inventory for strategic and operational planning.

Qualifications for this role include:

- Diploma or Bachelor of Science Degree in Resource Management, Forestry, or a related field and at least five (5) years of recent (gained over the last seven (7) years) experience in natural resource management; or, an equivalent combination of experience and education.
- Experience leading teams, facilitating diverse groups of partners and stakeholders, achieving resolution of issues, managing contracted services and planning and controlling expenditures.
- A minimum of three (3) years of recent (gained over the last seven (7) years) experience in the use, collection and management of forest inventory data and a solid understanding of forest inventory methods, statistical and analytic tools, data storage and retrieval systems and the management of large data sets.
- Experience developing strategic planning, budgeting and contract administration and project management.
- Preference may be given to applicants that are a Registered Professional Forester (RPF), a Registered Forest Technologist (RFT), or are immediately eligible for registration as an RPF or RFT with Forest Professionals British Columbia (FPBC).
