

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

ABOUT THE POSITION:

The Clinic Nurse is accountable for the development and delivery of a range of harm reduction and supportive treatment modalities for patients with opiate dependency based on a patient centered model of care. The ideal candidate is a compassionate, caring individual and who can understand the challenges our patients and their families face. As the

ideal candidate you are a nurse who is able to interact with diverse and cultural clients while delivering exceptional support and treatment. Working within a multi-disciplinary team of healthcare professionals, you have excellent communication skills, thrive on working within a team within a busy clinic work environment.

YOUR DUTIES AND RESPONSIBILITIES:

Operates professionally, ethically and with integrity within the guidelines and standards of the Ontario College of Nurses and adheres to the highest standards of medical practice

Dispense and administer medications (including methadone, suboxone, narcotics, and injections) as delegated by a licensed Physician.

Collaborates with members of an interdisciplinary team to plan, implement, coordinate and evaluate the appropriate treatment plans to support the patient.

Performs ECG's, venipuncture, urine drug screening supervision and testing and other vitals

Administers injections and ensures proper documentation of injection numbers consistent with documented protocols

Responsible for the return of medication bottles, and medication tracking sheets

Communicates with Physician regarding patient needs, change in status and all emergency situations including medical abnormalities

Provides comprehensive program information to current and prospective patients of CATC

Scheduling, information entry and assessment, data management, and document management

Update, maintain and ensure accuracy of patient information within Electronic Medical Records

WHAT YOU'LL NEED TO HAVE:

Completion of a Diploma in Registered Practical Nursing

Previous experience in addiction treatment and/or a similar field.

A member in good standing with the College of Nurses in Ontario.

Completes yearly CNO Quality Assurance certification.

Provision of a recent and acceptable Criminal Reference Check.

Phlebotomy and Electrocardiogram (ECG/EKG) are an asset.

Current First Aid and CPR Certification is required.

Strong commitment to working with individuals living with addiction and mental health.

Ability to establish therapeutic relationships with patients.

Knowledge of Harm Reduction principles; ability to work with clients experiencing addiction and mental illness and their families.

Proficiency in using Microsoft platform, particularly Outlook, Word, and Excel.

ABOUT THE COMPANY

At the Canadian Addiction Treatment Centres, we strive to be leaders in the industry by creating access to best-in-class treatment to the communities that we serve. Our mission is to improve the lives of individuals living with the devastating effects of drug addiction. We apply a multidisciplinary, evidence-based approach and strive to provide quality of care and patient experience, while providing an encouraging, compassionate and judgement-free care environment. Each of our clinics offers integrated medical and pharmacy services specifically designed to engage patients in a manner that promotes the development of a strong therapeutic relationship between the patient and his/her CARE team. Please visit www.canatc.ca for more information!

Canadian Addiction Treatment Centres remains an inclusive and equal opportunity employer committed to providing accommodations for all applicants upon request at any stage of the selection process in accordance with the Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code.
