

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities. En tant que soudeur chez United Rentals, vous entretiendrez et réparerez l'équipement d'étayage et de blindage afin de maximiser la productivité de la succursale. Vous serez dédié(e) au service de location de matériel de sécurité des tranchées. Chaque jour, vous aurez l'occasion d'améliorer votre travail et de relever des défis; si vous en avez le souhait et l'ambition, vous aurez la possibilité d'avancer vers des postes plus élevés au sein de notre service d'entretien. Nous compterons sur le niveau de service exceptionnel que vous offrirez à nos clients, à l'instar de tous les membres de notre équipe.

Si vous souhaitez avoir la possibilité de vous tailler une place au sein du plus grand loueur d'équipement au monde, envisagez un avenir chez United Rentals. Vous recevrez le soutien d'une équipe de direction fiable qui vous aidera à atteindre vos objectifs. En outre, vous aurez la possibilité de déménager pour travailler dans l'une de nos 1 000 (et plus) succursales. Responsabilités complémentaires (liste non exhaustive) :

- Mettre en place et appliquer le type de soudure appropriée, conformément aux spécifications d'ingénierie ou de fabrication
 - Inspecter, réparer et peindre tout l'équipement de location à son retour pour s'assurer qu'il est prêt à être loué et qu'il peut être utilisé en toute sécurité
 - Effectuer des réparations ou des modifications non structurelles à l'équipement de location selon les spécifications du fabricant
 - Effectuer un support de soudage des installations actives d'étayage sur les chantiers
 - Fabriquer des projets dans l'installation selon les besoins
 - Au besoin, se rendre sur les chantiers des clients pour la réparation/l'entretien de l'équipement
 - Remplir les bons de travail sur le service de l'équipement et tenir à jour un inventaire des pièces connexes à réparer
 - Assurer un environnement de travail propre et sûr
 - Autres responsabilités en fonction des besoins
- Exigences du poste :
- Diplôme d'études secondaires ou équivalent
 - Certificat d'une école de soudure
 - Minimum de 1 à 2 ans d'expérience de soudage à l'arc, de soudage MIG (au magnésium en atmosphère inerte) et de soudage TIG (au tungstène en atmosphère inerte)
 - Connaissance des métaux et des matériaux nécessaires pour effectuer des réparations sur toutes les applications d'étayage, de blindage et de glissières
 - Doit pouvoir brûler efficacement et avec bonne qualité
 - Doit être en mesure d'identifier le type de machine à souder et la taille du fil ou de la tige nécessaires pour effectuer des réparations en toute sécurité
 - Connaissance des exigences nationales et locales applicables de l'OSHA relatives à l'étayage et au blindage des tranchées et des excavations
 - Connaissance des capacités de l'équipement de construction souterrain et des pratiques de travail sécuritaires de l'OSHA
 - Sens du service à la clientèle et du travail d'équipe, compétences en communication verbale et écrite
 - Permis de conduire en cours de validité et dossier de conduite acceptable
 - Capacité à soulever fréquemment des articles pesant jusqu'à 45 lb (20 kg)

Ce poste est considéré comme un poste critique en matière de sécurité aux fins des politiques et procédures de United Rentals. As a Welder at United Rentals, you will maintain and repair shoring and shielding equipment to maximize branch productivity. You'll be dedicated to the service of Trench Safety rental equipment. Every day, you can improve and challenge yourself, and if you have the desire and ambition, you'll have the potential to work towards higher roles in our Service Department. Like every member of our team, we will rely on you to provide exceptional customer service to our customers. If you would enjoy the chance to make your mark with the world's largest equipment rental provider, consider a future with United Rentals. You will be supported by a strong management team that will help you achieve your goals. Plus, you will have the opportunity to relocate to one of our 1,000+ locations. Additional duties include the following:

- Layout and apply the appropriate weld type, as per engineering or manufacturing specifications
- Inspect, repair and paint all rental equipment upon return to ensure that it is rental ready and safe for use
- Perform non-structural repairs or modifications to rental equipment per manufacturer's specifications
- Perform active shoring installation welding support on job sites
- Fabricate projects in the facility as required
- When required, travel to customer sites for repair/maintenance of equipment
- Complete work orders on equipment service and maintain an inventory of related parts for repair
- Ensure a clean and safe working environment
- Other duties assigned as needed

Job Requirements:

- High school diploma or equivalent

- Welding school certification
- Minimum 1-2 years' experience in Arc, MIG and TIG welding
- Knowledge of metals and materials needed to perform repairs on all shoring, shielding, and slide rail applications
- Must be able to burn efficiently and with good quality
- Must be able to identify the type of welder, and wire or rod size, needed to complete safe repairs
- Knowledge of OSHA applicable state and local requirements relative to trench and excavation shoring and shielding
- Knowledge of underground construction equipment capabilities and OSHA safe working practices
- Superior customer service, teamwork and verbal/written communication skills
- Valid driver's license with acceptable driving record
- Ability to frequently lift items up to 45 lbs.

This position is deemed Safety Sensitive for purposes of United Rentals' policies and procedures. Why join us? We don't just "talk the talk!"
