

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities. Si vous souhaitez avoir la chance de faire votre marque auprès du plus grand fournisseur de location d'équipement au monde, venez construire votre avenir avec United Rentals ! En tant que mécanicien diesel de terrain - Solutions d'équipement client (Service Tech IV - Field Service - CES), vous utiliserez vos compétences pour effectuer la maintenance et les réparations d'équipements complexes sur des équipements appartenant au client avec une supervision limitée ou inexistante dans un environnement hautement qualifié, sûr, et de manière professionnelle. Chaque jour, vous pouvez vous améliorer et vous mettre au défi, et si vous en avez le désir et l'ambition, vous aurez le potentiel d'accéder à des postes de direction au sein de notre département de service. Comme chaque membre de notre équipe, nous compterons sur vous pour offrir un service client exceptionnel à nos clients. Ce que vous ferez :

- Entretien et réparation de systèmes mécaniques, électriques, hydrauliques et diesel complexes sur une variété d'équipements et d'outils de location et de clients, en faisant preuve d'un haut degré d'indépendance de jugement.
- Déplacement sur les chantiers des clients pour la réparation/entretien de l'équipement appartenant au client ; doit entretenir le véhicule de service de manière propre et professionnelle
- Aider à la formation des techniciens de niveau inférieur selon les besoins
- Maintenir quotidiennement la paperasse/la documentation électronique du travail effectuée (bons de travail) de manière complète et en temps opportun.
- Vendre et démontrer une large gamme d'équipements complexes pour les clients
- Aider à la collecte et à la livraison des équipements et des pièces
- Autres tâches assignées selon les besoins

Exigences:

- Diplôme d'études secondaires ou équivalent
- Permis de conduire valide avec dossier de conduite acceptable
- 5+ années d'expérience dans la réparation/entretien d'équipements et d'outils
- Aptitude mécanique avancée et connaissance pratique des outils
- Connaissance des équipements de construction et solide connaissance en mécanique de divers moteurs
- Compréhension avancée des schémas et des diagrammes
- Doit posséder les outils applicables au poste
- Service à la clientèle supérieur, travail d'équipe et compétences en communication verbale/écrite
- Capacité à soulever fréquemment des objets pesant jusqu'à 45 lb.

Ce poste est considéré comme sensible à la sécurité aux fins des politiques et procédures de United Rentals. If you'd like the chance to make your mark with the world's largest equipment rental provider, come build your future with United Rentals! As a Field Diesel Mechanic - Customer Equipment Solutions (Service Tech III - Field Service - CES), you'll use your skills to perform maintenance and repairs of complex equipment on customer owned equipment with limited or no supervision in a highly skilled, safe, and professional manner. Every day, you can improve and challenge yourself, and if you have the desire and ambition, you'll have the potential to work towards higher levels of Service Technician and leadership roles in our Service Department. Like every member of our team, we will rely on you to provide exceptional customer service to our customers. What you'll do:

- Safe maintenance and repair of complex mechanical, electrical, hydraulic, and diesel systems on a variety of customer

equipment and tools while using a high degree of independent judgment

- Maintain paperwork/electronic documentation of work performed (work orders) in a complete and timely manner on a daily basis
- Upsell and demonstrate a wide array of complex equipment for customers
- Travel to customer job sites for repair/maintenance of customer owned equipment; must maintain service vehicle in a clean and professional manner
