

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

THE ACCOUNTABILITIES DESCRIBED ARE REPRESENTATIVE IN NATURE AND ARE NOT INCLUSIVE OF ALL JOB DUTIES. PLEASE NOTE THIS IS A SAFETY SENSITIVE JOB.

Job SummaryThe Electrician is responsible for the installation, repair and maintenance of wiring, electrical equipment and fixtures, and control equipment.

Primary Accountabilities

- Perform duties of a Licensed Electrician in Ontario.
- Install, maintain, modify and repair electrical distribution systems and associated electrical equipment including but not limited to, transformers, switchgear, motors, lighting and cables, receptacles and switches.
- Inspect, test components, and perform preventative maintenance of electrical systems and components.
- Install and maintain emergency electrical equipment.
- Utilize construction documents, including blueprints, wiring diagrams and manufacturer's installation manuals to complete assigned projects.
- Update and maintain a variety of information and records.

General Accountabilities

- Operate within established security and safety regulations.
- Remain knowledgeable and current with trade requirements through participation in courses, instructional seminars and trade shows as required and/or sponsored by the University.
- Communicate with fellow workers, faculty, students, staff and visitors in an appropriate and effective manner.
- In a position of trust, perform job assignments in an efficient and effective manner.

Qualifications

- Education: Grade 12 Diploma or equivalent. Current Ontario Electrician Certificate of Qualification. A current and valid Ontario Industrial Electrician or Construction Maintenance license is required.
- Experience: 5 years of related experience, inclusive of apprenticeship requirements.

Effort

- Required to lift and carry equipment and supplies (up to 50 lbs).
- Required to stand for prolonged periods of time.
- Required to work in awkward positions and to work with hands above head for prolonged periods of time.
- Required to concentrate for prolonged periods when performing installation, inspection and troubleshooting work.

Working Conditions

- Work is conducted in University owned and operated buildings, including mechanical rooms and electrical rooms.
- Work is conducted in a setting with exposure to inclement weather, dust and dirt. Exposure to loud noise and vibration from machinery and tools.
- Required to work independently, in teams, alone and/or in isolated work environments.
- Required to work at heights, including, but not limited to, a 50-foot lift.
- Required to operate a motor vehicle or golf cart for transportation on campus.
- Required to wear personal protective equipment.

Supervision

- May be required to be a day-to-day resource on work procedures to students and casual staff.
