

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

The Department of Mathematics and Statistics invites applications for the following teaching position to be offered in the Fall 2024 Term. Date of Posting: June 25 - July 12, 2024 Course Name/Number: Math 1A03 - Calculus for Science I Term: Fall Term, September 3 - December 5, 2024 Number of Section(s) Available: 1 section (C02) Number of Units per Section: 3 units Location: Central Campus Projected Enrollment: 300 Projected TA Support: TBD Class Times: Tuesday, Wednesday and Friday 12:30-1:30 pm Wage Rate*: As per schedule "A" of the CUPE, Local 3906, Unit 2 Collective Agreement, the Sessional Faculty rate is \$8,056.37 for 3 units. Course Description: For students in science: geared towards applications, with attention to underlying concepts. Functions: limits, continuity, derivatives, optimization, curve sketching. Antiderivative, definite integral, techniques of integration. Required Qualifications: MSc and/or PhD in Mathematics or related field and classroom experience with the curriculum. Selection will be based on seniority, academic qualifications, communication skills, teaching competence, ability to perform the various duties of the Appointment, and previous academic employment experience (these criteria are not listed in order of priority). McMaster University is located on the traditional territories of the Haudenosaunee and Mississauga Nations and within the lands protected by the "Dish With One Spoon" wampum agreement. The diversity of our workforce is at the core of our innovation and creativity and strengthens our research and teaching excellence. In keeping with its Statement on Building an Inclusive Community with a Shared Purpose, McMaster University strives to embody the values of respect, collaboration and diversity, and has a strong commitment to employment equity. The University seeks qualified candidates who share our commitment to equity and inclusion, who will contribute to the diversification of ideas and perspectives, and especially welcomes applications from indigenous (First Nations, Metis or Inuit) peoples, members of racialized communities, persons with disabilities, women, and persons who identify as 2SLGBTQ+. As part of McMaster's commitment, all applicants are invited to complete a confidential Applicant Diversity Survey through the online application submission process. The Survey questionnaire requests voluntary self-identification in relation to equity-seeking groups that have historically faced and continue to face barriers in employment. Please refer to the Applicant Diversity Survey - Statement of Collection for additional information. Job applicants requiring accommodation to participate in the hiring process should contact Human Resources Service Centre at 905-525-9140 ext. 222-HR (22247) to communicate accommodation needs. *Supplemented Fees- 15.02 The employee may be eligible to receive supplemented fees in accordance with Schedule C of the Collective Agreement. The actual rate of pay when in excess of the base rate of pay is deemed to include any supplemented fees owing, to the extent of the excess amount. If the actual rate of pay is less than the sum of the base rate of pay and the supplemented fees owing, then the employee shall receive the difference. Application Procedure Please submit the following online via the Mosaic portal. A cover letter stating your intent to apply for the position (including your address, phone number, and email address). A resume listing your academic qualifications and relevant employment experience. Names and contact information of two references For current or previous McMaster sessional faculty, information necessary to determine your current and aggregate seniority (as defined by Article 20 of the Unit 2 Collective Agreement). Questions may be directed to CUPE 3906 (905-525-9140, ext. 24056) If you require this information in an alternate/accessible format, please contact Employee/Labour Relations Administrator at extension 23850.
