

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Web Address	https://careers.indigenous.link/viewjob?jobname=63680-9754		
Company	McMaster University		
Location	Hamilton, ON		
Date Posted	From: 2024-07-18	To: 2050-01-01	
Job	Type: Full-time	Category: Education	

Description

The INSPIRE Office of Flexible Learning aims to provide students with curriculum flexibility to better manage their own time by providing exciting learning opportunities outside the Fall & Winter terms; expose students to engaging instructors who teach in novel and innovative ways; create interdisciplinary opportunities to work in small groups with peers from across campus to create a great learning experience and engage students with existing opportunities on campus related to Interdisciplinary Minors and interdisciplinary courses. Working with the INSPIRE Office of Flexible Learning and Kojo Damptey (Manager, Office of Community Engagement and ABLD 3BA3 - Topics in the Black, African and African Diaspora Studies instructor,), the educational research assistant will be responsible for providing support in creating an open education resource book "Black Epistemologies of Interlocking Solidarities for a Decolonial Hamilton." The educational research assistant will support with meetings, interviews and a creation of a podcast along with the open educational resource book. Job Summary: Provide support and contributions to pedagogical research projects or course/curriculum (re)design efforts. Work is performed under general direction and guidance, and might include the collection of data, basic data analysis or contributions to the development of course materials.

Accountabilities:

- Assist in the development of research protocols and/or instructional materials
- Work with faculty and community partners to gather data, perform basic data analysis, and compile reports
- Apply established pedagogical principles to ensure sound project design and delivery
- Record and maintain accurate records.
- Conduct literature searches to support open educational resource book.
- Support with podcast creation and other multi-modal creations.
- Additional duties as required. Qualifications: Education: Currently enrolled in an undergraduate program. Experience: Prior experience in a research environment or related coursework would be an asset. Assets:
 - Excellent interpersonal skills
 - Excellent verbal and written communication skills
 - Proficient with graphic design tools and programs
 - Proficient with audio-visual programs
