

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Position Summary...

To support the Store Manager and manage store operations according to Company guidelines and lead Associates to ensure friendly, helpful service and drive profitable store sales.

What you'll do...

Job Responsibility #1 As a member of the Store Management Team drives profitable sales through achievement of sales and profit goals, budget management and sales forecasts. Proactively analyzes and utilizes sales/financial reports, economic trends and community needs to identify and respond to market changes while controlling expenditures.

Communicates sales results associates and guides interpretation of results

Job Responsibility #2 Creates, with the balance of the Management Team, operational plans; prioritizes, delegates and provides clear direction to Managers and Associates. Ensures optimal store conditions through effective merchandise presentation, accurate and competitive pricing and store standards within Company policies and guidelines. Implements new store programs according to Company direction, while evaluating effectiveness to achieve successful results specifically related to the (Front End or Back End or Fresh or Operations - specific area that the incumbent will oversee). An Assistant Manager is cross-trained to work proficiently in all areas of the Store when needed.

Job Responsibility #3 Executes and monitors asset protection and safety controls; maintains quality assurance standards; oversees safety and operational reviews while ensuring compliance with Walmart policies and procedures and with established safety, security, sales, financial and record keeping procedures and practices. Anticipates and proactively responds to compliance issues, including Total Loss/general controls.

Job Responsibility #4 Serves Customers as an ambassador for their store by greeting customers, seeking their feedback and ensuring customer needs, complaints, and issues are resolved within Company guidelines to create a positive shopping experience. As a member of management, models, enforces, and provides direction to associates on friendly and helpful customer service approaches and techniques

Job Responsibility #5 Supports store initiatives to serve the community by participating in and supporting community events and developing relationships with key community groups. Participates in company-sponsored programs, events, and sustainability efforts for associates and customers to emphasize the store's role as an integral part of the community.

Job Responsibility #6 Leads Associates by conducting regular store meetings and communicating operational direction and initiatives with a focus on the Total Store and OMNI business. Drives engagement, recognizes and rewards accomplishments and provides opportunities for professional growth. Develops all associates and identifies high-potential associates, providing training and development to increase capability.

Job Responsibility #7 Demonstrates Company values by holding Associates accountable through timely, honest, specific and respectful performance feedback and corrective and disciplinary action. Builds and manages relationships with supporting functions within the store and district (e.g. District HR Managers, etc.).

Job Responsibility #8 Complies to all Company standards and procedures when handling all merchandise, including but not limited to: alcohol, ammunition, narcotics, and high-ticket. Ensures appropriate cash controls, handling as much as \$250,000 per day.â€Ž
