

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Foremost Equipment LP is in need of Industrial Painters

Employment Terms: Full Time - Permanent

Foremost Equipment has an immediate opening for an Industrial Painter in their Stettler facility. With your knowledge and experience in automotive industry you will be responsible for the preparation and application of high-grade finishes for our Hydrovac product line. This position may be exposed to elements such as noise, dust, odours, fumes and oils. Working conditions include working at heights up to 14' as well as confined areas.

Duties and Responsibilities:

1. Conform to quality control standards and constructions specifications, drawings, sketches, layout boards, etc., and/or verbal instructions
2. Prepare and apply primer
3. Apply coats of internal coating, (protective and decorative) to all parts of finished products and/or equipment
4. Operate brush or spray equipment as required and is responsible for proper storage and handling of all consumables, paints and painting supplies
5. Read, understand and follow working instructions/directions, policies and procedures
6. Attend production meetings daily, report status of jobs in progress and upcoming production plans
7. Maintain frequent contract with QC and Production to ensure all painting and coating requirements are met
8. Follow the company safe work procedures and legislated safety requirements
9. Comply with all WHMIS and environmental regulations regarding the storage, use and disposal of hazardous chemicals
10. Perform other related duties as required

Working Hours: 9-10 hours/day; shift will vary between days and nights from Monday to Sunday;

2-3 days off on varied days

Benefits: Extended Medical, Dental and Disability Insurance

Work Locations: 5221 46 St, Stettler, AB, Canada T0C 2L0

Employment Requirements:

- Ability to calculate values in Metric and Imperial
- Good communication skills, with the ability to give and take clear direction; verbal and written
- Detailed oriented and willing to function as part of a highly motivated team
- WHMIS, Fall Protection, and Confined Space training
- Must pass pre-employment physical demands and abilities assessment

Experience

Minimum 1 year of related experience is required; Auto Body experience or Trade Certificate and familiarity with tank, vessel and pipe coating an asset

Education Requirements

Completion of secondary school is required
