Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Located in the vibrant and growing community of Richmond Hill, just north of Toronto, Holy Trinity School (HTS) is a forward-thinking, world-class independent school committed to inspiring curiosity, creativity, and personal excellence. Serving 830 students from Kindergarten through Grade 12, HTS is renowned for its warm and inclusive community, fostering a holistic educational environment where every learner is supported in their personal growth, character development, and well-being. Complementing this, HTS offers an exceptional, innovative, and personalized academic program alongside a robust and enriching student life experience that empowers students to explore their passions and thrive beyond the classroom.

HTS has expanded its impact and access beyond the Richmond Hill campus through the launch of the HTS Global Online Campus and the Centre for Transformative Learning and Leadership, reflecting the school's dedication to fostering lifelong learning and leadership in an interconnected world.

As HTS prepares for the next chapter with the upcoming departure of its dynamic and very successful Head of School, the community is seeking a visionary leader to continue advancing the school's vision and values, elevating HTS to new heights of excellence.

The new Head will be an innovative educational leader with a passion that instills in students the love of learning for a lifetime. They will bring significant administrative experience and a deep curiosity about emerging trends in education, the use of technology in the classroom, and how best to prepare students for a world that is changing quickly and unpredictably. The Head will find the necessary balance of pursuing the most progressive educational practices while preserving the traditions and values the community has come to treasure. With a track record of mentoring and developing faculty, encouraging students, and fostering a dynamic and healthy school community, the new Head will be an outstanding relationship builder with a deep and abiding connection to students and a genuine interest in their lives. They will have the skills and experience to engage all members of the school community in imagining and pursuing an exciting future for Holy Trinity School, and will bring a willingness and commitment to furthering the school's culture of philanthropy. Above all, the Head of School will be a person of exceptional integrity and character, with high energy, a good sense of humour, and superb interpersonal and communication skills.

Holy Trinity School is committed to fostering a diverse, inclusive, and equitable school culture and encourages individuals from a variety of backgrounds, experiences, and perspectives to apply, helping to enrich the community and champion diversity in all its forms. As an equal-opportunity employer, Holy Trinity School will make reasonable accommodations upon request to ensure all applicants can fully participate in the interview process.
