

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Full-time, permanent

Position summary

Reporting to the manager, diagnostic imaging, the accreditation assessment officer (AAO), diagnostic imaging, has responsibility for assessing the performance of the diagnostic service facilities, in British Columbia for the purposes of accreditation.

Primarily focused on diagnostic imaging facilities, the AAO will also perform their duties in other diagnostic services. Through on-site assessments of the diagnostic imaging facilities, the AAO writes assessment reports identifying best practices evidenced, opportunities for improvement, and follow-up actions required to address nonconformances. In conducting the assessments, the AAO provides education and shares best practices for the purposes of improving quality and safety.

In the capacity of accreditation assessment officer, this position has delegated authority to review and sign off on evidence submitted in response to nonconformances, and to make recommendations for accreditation awards to the Diagnostic Accreditation Program (DAP) Committee.

The compensation range for this position is \$80,216 to \$100,270 per year.
