

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Senior S/4 FICO Consultant:

CGI is seeking a high-potential, SAP S/4 FI/CO Consultant with senior SAP experience (3 - S/4 full lifecycle implementations). The successful candidate will be responsible for working closely with our clients in understanding their requirements, designing solutions, configuring SAP and completing the full software lifecycle. Primary focus is on design, configuration and testing but experience and/or desire to grow and to mentor a team is also desirable.

Your future responsibilities & duties:

- The Consultant facilitates the implementation and support of SAP S/4 Financials to enhance the clients' business functionality and overall performance, while maintaining a high degree of customer satisfaction.
- Design, configuration and testing of FI/CO modules
- Experience and knowledge of key integration points with FI/CO modules
- Responsible primarily for successful implementation of SAP, including providing functional expertise, guidance, presentation, and instruction on SAP products to clients.
- Facilitate workshops to collect business requirements and translate them to system requirements with ability to identify gaps, issues and work around solutions
- Acts as liaison with client for troubleshooting, investigates, analyses, and solves software problems and maps client business requirements, processes and objectives; develops necessary product modifications to satisfy clients' needs.

Qualifications to be successful in this role:

- Minimum 10 years of SAP FI/CO configuration experience with 5 years working on S/4 FICO project implementations. A background in finance or accounting will be a plus
- Experience and/or knowledge in most of the following: AA, GL, AP, AR, Parallel Ledger
- Knowledge and/or experience in the New-GL
- REF/BW setup and experience is an asset.
- Financial Business knowledge and process design skills
- Experience working in highly customized SAP environments
- Brownfield implementation FICO experience for cloud migration
- Excellent written and verbal communications
- Ability to analyze problems and provide clear recommendations
- Strong organizational skills

Nice to Have:

- French Bi-lingual

At CGI, we're a team of builders. We call our employees members because all who join CGI are building their own company - one that has grown to 90,000 professionals located in 40 countries. Founded in 1976, CGI is a leading IT and business process services firm committed to helping clients succeed. We have the global resources, expertise, stability and dedicated professionals needed to achieve results for our clients - and for our members. Come grow with us. Learn more at www.cgi.com.

This is a great opportunity to join a winning team. CGI offers a competitive compensation package with opportunities for growth and professional development. Benefits for full-time, permanent members start on the first day of employment

and include a paid time-off program and profit participation and stock purchase plans.

We wish to thank all applicants for their interest and effort in applying for this position, however, only candidates selected for interviews will be contacted.

No unsolicited agency referrals please.

Together, as owners, let's turn meaningful insights into action.

Life at CGI is rooted in ownership, teamwork, respect and belonging. Here, you'll reach your full potential because...

You are invited to be an owner from day 1 as we work together to bring our Dream to life. That's why we call ourselves CGI Partners rather than employees. We benefit from our collective success and actively shape our company's strategy and direction.

Your work creates value. You'll develop innovative solutions and build relationships with teammates and clients while accessing global capabilities to scale your ideas, embrace new opportunities, and benefit from expansive industry and technology expertise.

You'll shape your career by joining a company built to grow and last. You'll be supported by leaders who care about your health and well-being and provide you with opportunities to deepen your skills and broaden your horizons.

At CGI, we recognize the richness that diversity brings. We strive to create a work culture where all belong and collaborate with clients in building more inclusive communities. As an equal-opportunity employer, we want to empower all our members to succeed and grow. If you require an accommodation at any point during the recruitment process, please let us know. We will be happy to assist.

Come join our team-one of the largest IT and business consulting services firms in the world.
