

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

AECL acknowledges with gratitude that we operate on territories that have, since time immemorial, been the traditional lands of Indigenous peoples in Canada.

Is AECL right for you

As a federal Crown corporation, Atomic Energy of Canada Limited (AECL) has a mandate to enable nuclear science and technology and manage the Government of Canada's radioactive waste liabilities. Since 2015, AECL has been delivering its mandate through a Government-owned, Contractor-operated (GoCo) business model, whereby a private-sector organization, Canadian Nuclear Laboratories (CNL), is responsible for managing and operating AECL's sites on its behalf, pursuant to long term agreements. AECL's objectives under the GoCo model include accelerating Environmental Remediation Management, managing the Federal Nuclear Science and Technology Work Plan in support of government priorities and needs, and building a world-class nuclear laboratory that fulfils government priorities and grows commercial revenues, while reducing or containing costs and risks to Canada.

What you will do:

Reporting to the Senior Manager, Security, IT and Deputy Chief Security Officer, this opportunity will allow you to grow and develop in your IT career. Aligning with your customer service mindset, you will provide technical advice and assistance and will install, deploy, and upgrade client-side applications, hardware, devices, and technology. Working closely with AECL's IT service provider and the AECL IT and Information Management team, you will deliver quality IT support to AECL staff both in person and remotely.

What you bring:

- Post-Secondary Education or similar qualifications in Information Technology or relevant experience.
- A proactive, customer service approach to handling issues that incorporates creative, insightful thinking.
- Technical certification(s), such as A+ or ITIL is an asset.
- Experience in IT outsourcing or similar service provider(s) arrangements would be an asset.
- Solid knowledge of Cloud products such as Microsoft 365 and how they function.
- Demonstrated experience in troubleshooting issues with core Microsoft Office system products (e.g. Word, Outlook, Excel, PowerPoint, MS Project, etc.).
- Demonstrated knowledge of a range of IT diagnostic and system monitoring utilities.
- Considerable knowledge of Active Directory, Azure AD, Intune, Microsoft Cloud services, networking infrastructure, and related services
- Experience with SharePoint and light computer programming with .Net, HTML, JavaScript, SQL, or Power Platform is an asset.
- Experience with Information Management is an asset.

What we bring:

- Salary:
 - o The hiring range for this role is between \$82,600 and \$94,800 based on compensable factors including, but not limited to qualifications and experience.
 - o The current salary range for this role is broader than the hiring range. Employees progress through the salary scale

based AECL's compensation philosophy and procedures.

- Benefits:

- o Comprehensive medical and dental benefits through the Government of Canada.
- o Participation in the Public Service Pension Plan (an indexed, defined-benefit pension plan) to help you plan for retirement.
- o Vacation, personal and floating days to be used in support of your physical and mental wellbeing.
- o A confidential Employee Assistance Program to help with challenges you or your family may be facing.
- o A flexible hybrid work model that lets you balance both working from home and nurturing in-person connections by coming into the office or on-site.
- o Performance-based incentives to motivate and reward you for meeting goals.

What you can expect:

- This posting is for a full-time temporary position that will be one (1) year in duration. You will be based out of AECL's Ottawa or Chalk River, Ontario office locations.
- This competition will have two rounds of interviews.
- The selected candidate must successfully meet Government of Canada security clearance requirements.
- While we sincerely appreciate all applications, only those candidates selected for an interview will be contacted.
- Preference may be given to individuals who are bilingual.

Recruitment Timelines:

Please plan to be available on the following dates if you are selected for an interview:

- Phone screens with shortlisted candidates will happen August 14-16
- First interviews will be virtual and scheduled for August 21 & 22
- Second interviews will be in-person and scheduled for September 4-6

At AECL, we are committed to building an authentic workplace; promoting diversity, equity, inclusion, and accessibility matters to us. We welcome applications from women, visible minorities, Indigenous Peoples, persons with disabilities, and persons of any gender identity, expression, and sexual orientation. Preference may be given to members of a designated group to address identified under-representation. We encourage candidates to self-identify.

AECL provides support and reasonable accommodations in its recruitment processes to applicants with disabilities including accommodations that consider an applicant's accessibility needs. If you have a disability that requires accommodation during our recruitment process, let us know how we can assist you by emailing hr@aecl.ca.
