

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Job ID	B5-FA-EF-86-66-B1
Web Address	https://careers.indigenous.link/viewjob?jobname=B5-FA-EF-86-66-B1
Company	Royal Canadian Steel
Location	Brampton, Ontario
Date Posted	From: 2024-03-11 To: 2024-09-07
Job	Type: Full-time Category: Manufacturing
Job Start Date	As soon as possible
Job Salary	\$26 per hour for a minimum of 30 hours per week
Languages	English

Description

Royal Canadian Steel a leading steel export centre in Canada located at 70 Titan Road, Brampton Ontario L6T 4A3 urgently require a responsible, organized and safety conscious WELDER to join our team.

Job Type: Permanent, full-time position

Overtime applies after 44 hours per week @ 1.5 times the wage.

Experience

2-3 years of welding experience

Education Requirements

Trade Certification in Welding OR Completion of a 3-year apprentice program in welding.

Essential Skills

- Read and interpret blueprints and take measurements to plan layout and procedures.
- Operate manual or semi-automatic welding equipment to fuse metal segments using processes such as gas tungsten arc welding (GTAW), gas metal arc welding (GMAW), flux-cored arc welding (FCAW), plasma arc welding (PAW), shielded metal arc welding (SMAW), oxy-acetylene welding (OAW), resistance welding and submerged arc welding (SAW)
- Operate manual or semi-automatic flame-cutting equipment
- Operate brazing and soldering equipment
- Operate metal shaping machines such as brakes, shears and other metal straightening and bending machines
- Repair worn parts of metal products by welding extra layers.
- Operate previously set up welding machines such as spot, butt and seam resistance or gas and arc welding machines to fabricate or repair metal parts.
- Maintain equipment in a condition that does not compromise safety.
- Assist with the maintenance and repair of welding, brazing and soldering equipment.
- May adjust welding heads and tooling according to work specifications.

Additional Skills

- Ability to read CAC drawings and take measurements.
- Deftness and attention to detail
- Competent in using potentially dangerous equipment following all safety precautions
- Must have a steady hand and great attention to detail
- Knowledge of different metals and their properties

How to Apply

To be considered for this position please email resume to royalcanadiansteelcareers@gmail.com

Strictly no phone calls please.
