

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Foremost Universal LP is in need of Paint Lead Hand

Employment Terms: Full Time - Permanent

Foremost Universal LP has an opening for a full-time Paint Shop Lead Hand for their Grande Prairie facility located in Hythe, Alberta. This position has the responsibility of the day-to-day operation of the painting facilities. Scope includes blasting, coating and painting fabricated product, supervision of direct reports, care and condition of facilities and equipment, and cooperation/collaboration with other shifts and departments

Duties and Responsibilities:

1. Assign work and ensure quality and completion of the assigned tasks
2. Conform to quality control standards and construction specifications based on drawings, sketches, layout boards, etc., and/or verbal instructions
3. Operate and service all equipment associated with painting, insulating, and sandblasting (hand-held spray equipment)
4. Train new hires with Safe Operating Procedures and Practices and ensure their compliance
5. Instruct apprentices in their trade specific procedures, use and service of equipment associated with painting, insulating, and sandblasting.
6. Ensure compliance with all WHMIS and environmental regulations regarding the storage, use and disposal of hazardous chemicals
7. Apply resin, solvent drying paints, and blasting materials to fabricated products
8. Perform other related duties as required

Working Hours: 8 hours/day; shift will vary between days and nights from Monday to Friday; 2 days off on Saturday and Sunday

Benefits: Extended Medical, Dental and Disability Insurance

Work Locations: 9816 100 Avenue, Hythe, AB, Canada T0H 2C0

Employment Requirements:

- Knowledge with tank, vessel and pipe coating
- Excellent communication skills including conflict management
- Has the ability to lead and motivate staff

Experience

Minimum 5 years in painting, coating and insulating field; Minimum 2 years supervisory experience

Education Requirements

Completion of secondary school is required
