

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Worker Type: Permanent Language(s) Required: English Salary Range (plus eligible to receive a performance based incentive, applicable to position): \$90,710 - \$122,726 Professional appraisal designation rewarded

As part of the national valuations teams, youâ€™ll help mitigate credit risk by estimating security values for large, complex agricultural, commercial and industrial properties. What youâ€™ll do:

- Complete and review complex valuations, interact with customers and perform site inspections
- Update valuation policies and procedures based on your related research
- Provide formal reviews to ensure consistency and mitigate risk
- Instruct, coach and give feedback through practical valuation training and other methods
- Work closely with FCC lending, loan administration and special credit teams

What weâ€™re looking for:

- Confident communicator who can work well within a geographically dispersed team
- Relationship-builder who embraces change
- Commitment to delivering excellent service and quality
- Extensive knowledge of appraisal practices and procedures, environmental issues, and trends

What youâ€™ll need:

- A bachelorâ€™s degree in agriculture, finance or commerce and at least four years of related experience (or an equivalent combination of education and experience)
- Professional appraisal designation is an asset
- In-depth knowledge of the agriculture industry
