

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Get work experience to build your resume and your career:

Join our Treasury team as a Junior Treasury Reporting Data Analyst and gain hands-on experience in gathering, structuring, and cleansing data, creating reports, and providing recommendations that inform business decisions. Under the mentorship of experienced analysts, youâ€™ll also assess data quality and use analytical tools to support informed decision-making across FCC.What you'll do

- Provide holiday back-up coverage for daily cash management
- Perform compliance testing on key Treasury processes
- Prepare monthly and ad hoc Treasury reports
- Perform daily data validation and monthly reconciliations
- Complete special Treasury projects to add value to existing processes

What we're looking for

- A third-year university student enrolled in finance or accounting
- A passion for learning
- Driven self-starter who can work independently with defined procedures
- Analytical thinker who can transform data into usable information
- An eye for detail and accuracy
- Strong communicator who can make complex information easy to understand

What you'll need

- Enrolment in a program for a degree in finance or accounting
- Completion of at least two years of your post-secondary degree program
- Bilingualism (English and French) is an asset

You belong here

At FCC, weâ€™re committed to creating an inclusive, equitable and accessible workplace â€” one that reflects the communities where we live, work and play. Our team is made stronger through diversity, and weâ€™re dedicated to building a workforce that brings together a range of backgrounds, abilities and perspectives.

We encourage qualified applicants to apply, including members of these four employment equity groups:

â€” Indigenous Peoples

â€” Members of visible minority groups

â€” Persons with disabilities

â€” Women Accessibility and accommodations To support an inclusive and accessible candidate experience, we encourage anyone needing an adjustment or accommodation during any stage of the recruitment process to email us at: TalentSupplyRecherch@fcc-fac.ca. An HR partner will respond and work with applicants who request a reasonable

accommodation. Information received in relation to accommodation requests will not impact hiring decisions.
