

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Highlights of the job

We are hiring a full-time, permanent Manager, Taxation position working out of Edmonton, AB. The Manager, Taxation is accountable for the overall performance of EPCOR Utilities Inc.'s taxation function. This includes ensuring accurate and timely preparation of income tax and other returns including GST, PST and property tax filings. Additionally, the preparation of tax provision working papers on a quarterly and annual basis. What you'd be responsible for

Providing input to the Senior Manager, Canadian Taxation's plans and directions, ensuring an appropriate understanding of the EPCOR and Corporate Finance strategy as it applies to Taxation and working to ensure on-going effective positioning and appropriate relationships between Taxation and the rest of EPCOR. Developing and implementing level appropriate goals and deliverables for the team and ensuring alignment with the Corporate Finance business plan and relevant metrics. Identifying the necessary budget requirements for the provision of timely and accurate tax services. Creating, mentoring and supporting a strong team. Ensuring the timely and accurate preparation and submission of all forms of tax filings, returns, remittances, payments and instalments. Ensuring that no interest or penalties are incurred in relation to late or incorrect tax filings, returns, remittances, payments or instalments. Work with the Senior Manager, Canadian Taxation to ensure that prudent taxation strategies are implemented to minimize taxes within context of existing tax laws. Developing, implementing and reviewing processes to ensure compliance to policies, standards, regulatory requirements and ensure mitigation of risks. Maintaining compliance with new and existing tax laws and regulations and the timely and accurate recording of all tax related liabilities and expense. Preparing of quarterly and year-end tax provision working papers. Working as a subject matter expert and developing a thorough understanding of EPCOR's operations to add value and support towards operational success. Participate fully in Canadian business development projects, including leading tax-related due diligence and structuring.

What's required to be successful

Degree or Diploma in business, finance, accounting or a related discipline. A professional Accounting Designation. Completion of the In-depth Tax Course, Level I through III. A minimum of 10 years accounting experience, including a minimum of 5 years' experience in Canadian income tax with increasing levels of responsibility. Experience and/or interest with US/Cross-Border tax issues and tax due diligence/structuring. Experience with indirect tax considered an asset. Demonstrated ability to apply the relevant knowledge to ensure the timely and accurate preparation and submission of tax filings, returns, remittances, payments and instalments. Able to successfully apply the relevant knowledge to ensure that all tax related liabilities and expenses are recorded in an accurate and timely manner. Analytical Thinking / Problem Solving: Draws on own knowledge and experience base and calls on other references and resources as necessary, building a logical approach to address problems or opportunities or manage the situation at hand. Expertise: Acquires and uses technical / procedural / professional information or skills to accomplish a result or to serve one's "customers" effectively ("customers" can be co-workers, peers or management, as well as external consumers of a service). Decision Making / Judgement: Demonstrates the ability to make decisions authoritatively and wisely, after adequately contemplating various available courses of action.
