

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

The following statements are intended to describe the general nature and level of work performed. They are not representing an exhaustive list of all responsibilities, duties and skills required.

Bishop's University is seeking a Manager of Facilities Operations and Maintenance for a regular full-time position. Bishopâ€™s Universityâ€™s 550-acre campus features 25 buildings, including seven residences, two libraries, two theatres, classrooms, laboratories, athletic facilities, a sports and recreation centre that includes three gyms, an indoor pool, an 800-seat arena, a chapel, a music recital hall, and a day-care. Also found on campus is a duck pond, wildlife refuge, outdoor pool and a golf course.

Reporting to the Vice-Principal Finance & Administration, the incumbent will work on a variety of buildings ranging from historical buildings to newly renovated or built facilities. The manager will plan, organize and monitor the preventive and corrective maintenance activities of the University buildings and Grounds.

Managing a maintenance budget of nearly \$4 million dollars the incumbent will supervise a team of more than 15 employees, students and subcontractors of different trades, in the activities and projects under its responsibility. Additionally, the position requires someone who has a strong customer focus and able to communicate with customers at a variety of levels, including contractors, city partners, employees, students, and co-workers. The incumbent will also be responsible for the direct supervision of various renovation projects. This position has a work week of 35 hours from Monday to Friday with occasional evenings and weekends required.

#### Nature of duties and responsibilities

- â€¢ Provides consistent, decisive leadership and effectively manages, empowers, and provides direction to a team of Trades employees;
- â€¢ Optimization the use of the facility operations and maintenance budget with effective planning and analysis, project management and employee scheduling;
- â€¢ Creates and executes the preventive and corrective maintenance activities for the buildings and equipment considering future building renovations projects in collaboration with the Manager of Capital Planning and Projects;
- â€¢ Assumes primary responsibility for the completion of service requests by coordinating and assigning work to the appropriate trades, supervising employees and contractors, monitoring work results, and coordinating on-campus moves;
- â€¢ Oversees the optimization of the Universityâ€™s computerized maintenance management system (CMMS);
- â€¢ Through the use of the CMMS system, the manager will analyse work orders to determine service levels and implement the appropriate preventive and corrective maintenance measures;
- â€¢ Manages the energy efficiencies for the University;
- â€¢ Performs or assists subordinates in performing duties and ensures customersâ€™ satisfaction;
- â€¢ Assure compliance with established safety regulations and precautions by all facilities and grounds staff;
- â€¢ Provide for effective orientation and continuous training to minimize accidents and injuries in compliance with health and safety standards in collaboration with the Health and Safety Coordinator;
- â€¢ Ensures compliance with codes and contract terms such as National Building Code, Plumbing Code, Electrical Code, Fire Protection Codes, the University environmental policy, and all Bishopâ€™s Health and Safety Policies and Procedures;
- â€¢ Coordinates and ensures the completion of certain renovation projects in collaboration with the Manager of Capital Planning and Projects;
- â€¢ Supervises the inventory of materials and equipment and the purchasing of the appropriate materials by identifying vendors, requesting quotations, negotiating prices, verifying quality, and arranging for timely delivery in collaboration with the Manager of Procurement;
- â€¢ Ensures continued operations of the University equipment, roads and grounds.
- â€¢ Performs additional similar / related task as required.
