Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Web Address	https://careers.indigenous.link/viewjob?jobname=05-C1-BE-E5-5E-57
Company	Canpotex Ltd
Location	Saskatoon, Saskatchewan
Date Posted	From: 2020-11-24 To: 2020-12-08
Job	Type: Full-time Category: Information Technology
Languages	English

Description

Canpotex is hiring a Network and Systems Administrator (20-26) to join the Business Information (BI) team in our Saskatoon office.

Canpotex is undergoing a digital transformation focused on Data & Analytics, IT & Cyber Security, Business Solutions, and Client Support. We are committed to delivering value to our business partners through people, processes, and technology, in support of our global operations. Canpotex's IT environment is a hybrid of legacy and modern applications, deployed in the cloud and on-premise.

What you will do:

• Utilize industry best practices to install, configure, administer, support, and maintain the data center, network, cloud, and VoIP infrastructure.

• Responsible for working with the following IT systems: VMware vSphere and Microsoft Windows, Fortinet (Switches, Next-Generation Firewalls, Wireless APs), IaaS, PaaS, and SaaS solutions including Microsoft Azure, Azure Active Directory, Microsoft 365, and AudioCodes voice gateways.

• Conduct reviews on suspicious activity, participate in audits, investigations, and regulatory compliance controls programs.

• Provide end-user technical support and expertise to business partners throughout the organization.

• Communicate and translate technical concepts effectively in a business language.

• Foster collaborative relationships with end-users, business units, and vendors in alignment with Canpotex's values.

What you will bring:

• Bachelor's degree or Diploma in Computer Science or a related field.

• Minimum five years' experience managing corporate data center, network, and cloud infrastructure.

• Certifications such as Fortinet and Microsoft Azure would be considered an asset.

• In-depth knowledge of networking and cybersecurity.

• Equivalent combination of education and experience may be considered.

Who you are:

• Ability to learn business processes, analyze and troubleshoot complex problems, present options, and work towards a resolution in a team environment.

• Ability to support both technical and project teams to ensure high quality and on-time delivery of solutions in alignment with business requirements.

• Excellent written and verbal communication skills, strong work ethic, high attention to detail, and a willingness to take on leadership roles in a fast-paced and dynamic environment.

Who we are:

Canpotex is one of the world's largest suppliers of potash overseas. On behalf of our Shareholders, Mosaic and Nutrien, we market and deliver Saskatchewan potash, a valuable fertilizer nutrient, to millions of fields and farmers, helping the world grow more food.

How to Apply

We would like to hear from you! Please apply online to https://www.canpotex.com/careers by December 8, 2020.

We thank all candidates for applying; however, only those selected for an interview will be contacted.
