

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests, Lands, Natural Resource Operations and Rural Development

There is currently one (1) position available in Dawson Creek, however an eligibility list may be established for future vacancies in Dawson Creek or Fort Nelson.

This position is also posted as a STO-RE 27 under REQ 82268. If you are a Registered Forest Technician, please apply through REQ82268.

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development is the Province's agency responsible for land and resource management in BC, which includes the protection of the Province's archaeological and heritage resources. Operating on a provincial land base of over 94 million hectares, the Ministry ensures the sustainable management of range, forest, wildlife, water and other land-based resources; works with Indigenous and rural communities to strengthen and diversify their economies; and supports activities that provide environmental, economic, cultural and social benefits.

The Senior Licensed Authorizations Specialist manages a team of professional and technical staff while providing specialist advice to support the management of forest tenures and revenue (ie: appraisal reviews, cruise evaluation and waste assessments). This role also conducts and leads conflict resolution, public consultation processes and education initiatives to negotiate and resolve disputes among conflicting parties over the use of Crown land to ensure decisions enact best use of the resource throughout the region.

Qualifications for this role include:

- Bachelor's Degree in Forestry or Natural Resource Management or an equivalent combination of education and experience as recognized by the Association of British Columbia Forest Professionals.
- Registered, or immediately eligible for registration, as a Registered Professional Forester with the Association of British Columbia Forest Professionals.
- A minimum of 3 years of related experience working in natural resource management.
- Experience performing technical duties, such as Forest Revenue, Forest Cruising and Waste, or Forest Tenure Administration and working with key statutes that support natural resource management.
