

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Children and Family Development : Coquitlam

Please note this is an ongoing posting without a scheduled close date. Applications will be reviewed on a regular basis, and the close date will be added to the posting with a minimum of 2 weeks' notice.

The Maples Adolescent Treatment Centre is a program of Youth Justice and Forensic Services of the Ministry of Children and Family Development. The Maples is a designated provincial mental health facility providing 'On site', community, outreach, and ancillary services to collaboratively support youth, families and communities. The Maples target population consists of troubled youth in British Columbia with significant psychiatric and/or behavioural and/or emotional difficulties, ages 12 to 17, as well as youth found Not Criminally Responsible by Reason of a Mental Disorder.

This position conducts psychological assessments and develops community care plans for youth with significant psychiatric and behavioural difficulties, mental illness and youth found Not Criminally Responsible by Reason of a Mental Disorder or unfit to stand trial.

Qualifications for this role include:

- Registered, in the process of registration, or eligible for registration with the College of Psychologists of British Columbia.
- Ph.D. in Clinical Psychology, preferably from a Canadian Psychological Association or American Psychological Association accredited program.
- Specific, supervised, and comprehensive education and training in Clinical Child and Adolescent Psychology.
- Candidates who have not yet completed their Ph.D., and/or registration with the College of Psychologists would be hired at a lesser rate of pay until all requirements have been completed. As a condition of continued employment, the appointee is required to become registered with the College of Psychologists of British Columbia.
- Three years of experience in Clinical Child and Adolescent Psychology.
- Previous supervised psychological assessment experience with children and youth and use of current psychological assessment instruments.
- Successful completion of a psychological pre- or post-doctoral internship of 1600 hours in a child and youth mental health or hospital setting with specialization in formal psychological assessment, diagnoses, and treatment of mental health disorders.
