

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests, Lands, Natural Resource Operations and Rural Development

Fort St John

Senior First Nations Relations Advisor

\$71,298.93 - \$81,387.14 annually

Bring your leadership skills and expertise in First Nation Relations to this rewarding role

The Senior Advisor, First Nations Relations conducts and provides leadership to First Nations consultation for individual and coordinated statutory authorizations associated with projects and initiatives supporting natural resource development in the Northeast region. The position leads and supervises consultation staff in the implementation of consultation policy and ratified agreements to ensure consultation occurs in a legally defensible manner. This work includes facilitating meetings and correspondence, building relationships with regional First nations, advising ministry and industry on consultation requirements and providing recommendations to statutory decision makers on how these projects and initiatives should proceed with respect to First Nations rights and interests.

The successful candidates are also required to provide strategic advice and correspondence on complex issues related to the reconciliation of First Nations rights and interest with respect to ministry priorities, policies, negotiations, initiatives and business mandates.

The BC Public Service is an award winning employer and offers employees competitive benefits, amazing learning opportunities and a chance to engage in rewarding work with exciting career development opportunities.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

Qualifications for this role include:

• Bachelor's Degree in natural resource management, public administration, business administration, law or other relevant discipline and 3 years of recent related experience; OR

• Master's Degree in natural resource management, public administration, business administration, law or other relevant discipline and at least 1 year of recent related experience.

• Experience conducting research and analysis related to land use, resource management, social or economic development issues.

Preference may be given to those with significant experience:

• Working with First Nations communities and leading First Nations consultations.

• Supervisory experience.
