

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities.

At United Rentals, the largest equipment rental company, we believe that it takes great employees to build a great organization - and we're passionate about helping our people grow professionally and embrace teamwork in everything they do. Our culture is based on our corporate values and centers on mutual respect, job satisfaction, diversity and a shared responsibility to build a better future. We believe in:

Hiring and retaining exceptional employees at every level

Providing training, development and career planningInstilling the belief that our customers are key to our long-term successEncouraging a strong sense of responsibility, involvement and commitmentRecognizing and rewarding both individual and team efforts

As a Parts Specialist -- Customer Equipment Services (CES) at United Rentals, you will support the branch or District CES program by assisting CES Service Technicians acquire the proper parts in a timely fashion to repair down customer units. You will also support the needs of customers as it pertains to selling retail parts over the counter and meeting those customer demands.

Your strong work ethic, reliability and positive attitude will make you an asset to our branch and entire organization. If you would enjoy the chance to make your mark with the world's largest equipment rental provider, consider a future with United Rentals. You will be supported by a strong management team that will help you achieve your goals. Excellence in this challenging and rewarding position paves the way for advancement opportunities.

Additional duties include the following:

- * Purchase parts form manufacturers and suppliers; acquire parts from other branches as-needed to maintain and replenish inventory
- * Process external and internal parts orders by completing invoices, updating inventory records, verifying customer credit and shipping parts as needed
- * Advise CES/branch Manager on parts activities, future trends and matters which affect the efficiency of the department regarding customer relations
- * Develop recommendations of changes to processes or procedures, as necessary to drive tech efficiency and grow the over the counter CES parts business
- * Maintain current parts manuals, catalogs, literature and price lists for all equipment sold by the company
- * Other duties assigned as needed
- * High School diploma or equivalent
- * Valid driver's license with acceptable driving record
- * 2+ years of retail exposure
- * Heavy equipment knowledge is preferred
- * Proficiency in Microsoft Office and ability to use technology tools to increase performance efficiency
- * Superior customer service, teamwork and verbal/written communication skills
