

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

BC Public Service

Ministry of Forests, Lands, Natural Resource Operations & Rural Development

Surrey

Cone and Seed Processing Supervisor

Join the Tree Seed Centre team and play a critical role in the preservation of BC's magnificent forests

Salary \$58,629.96 - \$66,726.25 annually

The Forest Improvement and Research Management Branch's [FIRM] mission is to protect, manage, and conserve British Columbia's forest genetic resources through excellence in cone and seed services, research, tree breeding, decision support, and client services. FIRM research guides the development of Ministry and private seed orchards and the Chief Forester's Standards for Seed Use. FIRM manages five seed orchard sites, two research stations, and the Provincial Tree Seed Centre [TSC]. FIRM also manages information systems that track wild stand and orchard seedlots.

The Tree Seed Centre processes, tests, registers, stores, and distributes both private and public seed used for Crown land reforestation. The TSC also safeguards the provincial seed supply and ensures adequate genetic diversity of tree seed used for reforestation. As well as being a processing and research facility, the TSC serves as the provincial cone and seed repository for the purposes of reforestation as well as an ex situ gene conservation bank. The TSC is the only repository of its kind in BC, and due to the highly valuable nature of its inventory, the TSC has been designated as "Mission Critical".

As the Cone & Seed Processing Supervisor, you are responsible for planning, conducting, assessing, documenting and reporting cone and seed processing activities. This role involves supervising technicians and coordinating and adapting to a wide variety of concurrent cone and seed production processes/treatments/environments with the goal of producing high quality seed. This role demands sound judgement, adaptability, and initiative while working in a co-operative team

environment.

Qualifications for this role include:

- â€¢ University degree or diploma in a related field such as forestry, natural resources, agriculture, botany or related sciences, plus a minimum of three years of related job experience\*; or,
- â€¢ Post-secondary education/training plus a minimum of five years of related job experience\*; or,
- â€¢ Seven years of direct, relevant experience working with tree seed.

\* Related job experience includes [but is not limited to] working with tree seed and/or live botanical products.

â€¢ Minimum of two years of demonstrated supervisory responsibilities.

â€¢ Preference may be given for experience supervising within a unionized environment.

â€¢ Valid BC driverâ€™s licence, forklift training certificate, level one first aid, or the ability to obtain these.
