

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

Mackenzie

Resource Manager

\$80,800.00 - \$114,400.02 annually plus \$43.17 bi-weekly Isolation Allowance

On-Site

The ministry has been developed through the amalgamation of legislative authorities in land and resource agencies to provide clients with a single point of access to natural resource authorizations and resource management services at many locations across the province. The ministry is structured in 23 districts within eight regions under the leadership of three geographically based Assistant Deputy Ministers.

As the Resource Manager, you will work within natural resource management or infrastructure development (i.e. transportation operations or forest management) and be accountable for managing the delivery of district wide operations consistent with ministry priorities, objectives and legislative requirements while overseeing a large team comprised of technical, administrative, and professional staff.

Explore the opportunities and value working with our team can offer you: Why Work for the Ministry of Forests.

Qualifications for this role include:

- University degree or diploma in a field related to natural resource management, business/public administration or acceptable equivalent.
- Experience in operational management of natural resources

Preference may be given to candidates with one or more of the following:

- Formal education or experience in human resources.
- Experience leading and coaching diverse teams in financial and/or human resource management.
- Experience developing and maintaining working relationships and resolving problems with stakeholders in natural resource management or infrastructure development.
