

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Sector: Client Solutions

Language Designation: English Essential

Language Skill Levels (Read/Write/Speak): ZZZ

Salary Range: \$76087.66 to \$95109.58

Position Status: Permanent Full Time

Weâ€™re not your typical government agency

Canada Mortgage and Housing Corporation (CMHC) exists for a single reason: to make housing affordable for everyone in Canada. Weâ€™re mobilizing the expertise and energy of governments, non-profits, lenders, developers, social entrepreneurs and co-ops to create the future of housing. At CMHC, we believe that everyone in Canada should have a place to call home.

Experience a Results-Only Work Environmentâ„¢ (ROWEâ„¢)

At CMHC, we trust you to get the job done. Weâ€™ve shifted from managing people to managing work. Each employee is 100% autonomous and 100% accountable. You can choose where you need to be and when you need to be there to meet your objectives. Youâ€™re in control of your time and are trusted to make the right decisions.

This position reports to the Client Relationships and Operations team in our Office of the SVP, Client Solutions sector. This sector collaborates with our partners to solve housing affordability challenges.

### About the role

Weâ€™re constantly evolving to build an inclusive housing system through research, design, innovation and partnerships. You will provide effective management of the delivery of business activities, including federal funding and programs, and other CMHC initiatives and represent CMHC in Government-to-Government relationships. You will provide effective expertise and guidance on a range of housing strategies in support of key clients and their portfolios, including delivery of cross-functional services and initiatives to advance housing outcomes. You will apply sound risk assessment of applications when making funding decisions, including conducting a financial analysis of the housing proponent, assessing market conditions, analyzing the financial, operational performance of the property and determining adequate security. This will help us make housing

affordable for everyone in Canada.

What you will need

- Undergraduate degree in a related field, such as business administration, finance or commerce.

- Minimum of five years of relevant experience in project development and client relations related to social housing and property management.

- Experience working with clients in Indigenous communities or the North.

- Comprehensive understanding of Indigenous and Inuit housing and awareness of social, economic and political trends affecting the provision of housing.

- Solid knowledge of housing finance, planning, delivery, administration, portfolio management and project maintenance systems, and ability to analyze, reason and work within complex frameworks.

- Knowledge of CMHC housing programs and services available to develop affordable housing for Indigenous Canadians and in the North.

- Superior oral and written communication skills, along with excellent negotiation and presentation skills to deliver complex information to a variety of audiences.

- Demonstrated relationship management abilities and negotiation skills, including persuasive discussions and presentations to small and large groups of senior officials.

- Political and cultural sensitivity, specifically possess a solid knowledge of Indigenous culture and traditions.

- Demonstrated ability to identify and foster key partnership relations that will facilitate the achievement of improvement objectives.

- A valid driver's license, as this position requires some travel, including site visits.

- Travel is required throughout assigned region by road and plane.

Additional Assets (if applicable)

- Strong financial acumen to navigate complex projects involving financial and risk analysis.

- Specialists have financial signing authority to approve projects with large net loan amounts. This involves review and analysis (underwriting and risk analysis) and potentially has significant financial impact on the corporation.
