

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Maple Leaf Foods is a leading Canadian food processing company committed to delivering quality food products to consumers around the

world. We are looking for Production Workers to join us at our Brandon, Manitoba plant.

#### POSITION SUMMARY:

Entry-level production work starts with packaging/wrapping non-knife type work.

The employee's primary tasks include receiving live hogs, and or kill (evisceration, hide removal, by-product processing) and other related

activities/ packaging and/ or visual inspection, sorting, grading, scale weighing, truck loading, cleaning, operating equipment as related to above process.

A 100% company paid Benefits package is provided including Major Medical, Dental, Life Insurance, Short-Term and Long-Term Disability,

as well as enrollment in the Maple Leaf Pension Plan.

#### RESPONSIBILITIES:

- Participate as part of a team in the processing of hogs to produce fresh and frozen product
- Assist with various tasks in the department assigned
- Keep up to production line speed
- Most jobs in the Barn, Dressing, Cut and Packaging floors include assembly line work
- Be willing to adhere to all hygienic and food safety requirements in the plant

#### REQUIRED SKILLS:

- Previous industrial / manufacturing plant experience is considered an asset
- Ability to work in a wide range of environmental conditions from cool to warm and wet to dry
- Physically fit and able to lift, push, and/or pull, weight of up to 27kg (60 lbs.)
- Experience working with and committed to Good Manufacturing Practices is considered an asset
- Experience in food manufacturing within a fast-paced environment is an asset
- Comfortable being part of a multi-cultural, unionized environment
- Must be committed to safe work practices
- Must have good communication and interpersonal skills and be focused on continuous improvement
- Ensure safe and hygienic practices are applied to all tasks performed as per Company policies
