Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

Put your nursing skills to the test and come join the team at the Arrow Lakes Hospital (ALH)! We are looking for a self-directed, motivated, reliable and flexible Registered Nurse who enjoys working in a rural environment. We support specialized education for our nurses. If you have education and experience in Emergency and Acute Care, we want to hear from you! Apply today to join our team!

ALH is a small rural hospital located in Nakusp serving a population of about 5,000. Services provided by Arrow Lakes Hospital include Acute Care 24/7, ER, Mental Health and Addictions Services, Occupational Therapy, Home Care, Residential Care, Physiotherapy Infusion Clinic with visiting specialists.

Arrow Lakes Hospital is a well-equipped, well maintained hospital with 6 acute care beds and a 7 bed ED offering services 24 hours a day, 7 days a week. The hospital is generously supported by the Arrow Lakes Hospital Foundation and the Arrow Lakes Hospital Auxiliary. The inpatient acuity is relatively low, as is the acuity for most of our emergency visits. However, we get about 20% of our ER patients from trauma (heli-skiing, logging, MVAs) or medical emergencies (cardiac, neuro, vascular) requiring transport to higher level care. There is a new helipad on site, supported by Critical Care Transport system. There is excellent community support and the opportunity exists for Nakusp nurses to work casual in the New Denver/Slocan Health Centre emergency department. Nursing shifts may be days or nights, 07:00 to 19:00, 19:00 to 07:00 as needed on a casual basis.

Nakusp is a busy summer area and is on a popular motorcycle route. In the winter, the area provides lots of heli-skiing and snowmobiling. The logging industry is the major employer in the area. This picturesque area, with its mountains and back woods country as well as many local lakes/ivers, is gaining popularity as an early retirement destination for people interested in enjoying the outdoors all year round.

Come live, work and play where others only vacation. It's more than a career, it's a lifestyle. Apply Today!
