

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Canpotex is one of the world's largest suppliers of potash and one of Saskatchewan's Top Employers in 2023. Be a part of our global operations and apply today!

Canpotex is hiring a temporary Vessel Operations Summer Student (23-09) to join our Ocean Transportation team in our Saskatoon office for a period of 4 months.

We are:

Headquartered in Saskatoon with three international offices, we are one of the world's largest suppliers of potash overseas. On behalf of our Shareholders, Mosaic and Nutrien, we market and deliver Saskatchewan potash, a valuable fertilizer nutrient, to millions of fields and farmers globally - ultimately helping the world grow more food.

We offer:

Situated in the vibrant Saskatoon area of River Landing, occupying a spacious, world-class contemporary office building that supports our culture. We proudly offer a highly flexible hybrid-work environment that encourages a flexible work-life balance while promoting meaningful connections with colleagues and stakeholders. We are passionate about ensuring food security for young people through our community investment program that allows our employees individual volunteer opportunities. We proudly offer a competitive total rewards package, career growth opportunities and the experience to collaborate with global colleagues and customers.

The opportunity:

- Maintaining various vessel operations binders, lists, reports, software, and spreadsheets.
- Organizing records and obtaining appropriate signatures on vessel operations documents.
- Reviewing invoices and charges as received.
- Supporting other special projects as needed.

You have:

- Experience in a customer service or office related position would be considered a definite asset.
- Demonstrated computer skills using the Microsoft Office suite and the ability to perform data entry and to maintain databases and spreadsheets.
- Currently enrolled in a post-secondary program with a focus in Operations Management, Supply Chain Management, or a related field.

You bring:

- A team player mindset with a desire to establish strong business relationships.
- Excellent listening, interpersonal, written, and oral communication skills.
- Strong organizational skills and detail orientation.
- Critical thinking abilities, thriving in a fast-paced environment.
