

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce Canadian Indigenous Job Seekers to a new approach to job searching. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Canadian Indigenous Peoples with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Closing Date (MM/DD/YYYY): 07/08/2020

Worker Type: Permanent

Language(s) Required: English

Term lending expertise required:

Analyze and adjudicate agriculture loan applications and make recommendations based on credit risk management best practices and FCC policies. Only FCC offices located in Regina, Kanata, Calgary, Mississauga and Montreal will be considered.

What you'll do:

- Authorize more complex loans beyond the limits of Operations lending staff
- Review and analyze source documents and proposals for authorization
- Assess and consistently apply corporate and credit risk policy
- Analyze administration requests such as loan amendments, security amendments and policy exceptions
- Coach lending staff on a variety of credit policies and techniques, researching the topic if necessary

What we're looking for:

- Strong communicator with a proven ability to collaborate across divisions
- Multi-tasker who can thrive in a busy environment
- Team player passionate about Canadian agriculture
- Proven coach and mentor able to share industry trends and risk mitigation techniques
- Organizational pro with strong risk assessment and analysis skills

What you'll need:

- Extensive knowledge of agriculture industry trends, risk mitigation and financial analysis techniques, and accounting principles
- Undergraduate degree in agriculture, business or economics and at least five years of related experience (or an equivalent combination of education and experience)
- Experience analyzing agricultural loan applications (mortgage, short and long-term credit and revolving credit)
