

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Director of Research Office, University of Regina

The University of Regina is conducting a search for a Director of the Research Office and invites expressions of interest, applications, and nominations. Reporting to the Associate Vice-President (Research) the Director plays a pivotal role in the development, facilitation and promotion of research at the University. This position provides strategic leadership and administrative management to the University of Regina's Research Office and its various functional components and programs. This position will set strategic direction for the planning and guidance in the development of research and service programs within the University. In addition, this position participating in the establishment of integrated research development strategies and policies for the institution. The Director provides timely and innovative responses to continuous shifts in University policy and direction and bring a strong analytical capability to the function and the skill required to work with the complexities of issues within and outside the University environment. The ideal candidate will have a doctorate degree or an appropriate combination of education and experience and have a clear understanding of the culture, opportunities and challenges associated with a research University.

Diversity Statement

The University of Regina is committed to an inclusive workplace that reflects the richness of the community that we serve. The University welcomes applications from all qualified individuals, including individuals within the University's employment equity categories of women, persons with disabilities, members of visible minorities, Indigenous persons, individuals of diverse gender and sexual orientation and all groups protected by the Human Rights Code.

How to Apply

Click "Apply Now" For full details how to apply

Applicants should include a letter of interest, a curriculum vitae, and the names of three references (who will not be contacted without consent of the applicant); and may be submitted in confidence, electronically on the University of Regina's Careers Website prior to the competition closing date of November 7th, 2022.
