

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Competitive salary and benefits package

Pension and working conditions that provide for a balanced approach to work, family life and community

Nine day work cycle which normally provides every other Monday off

Manitoba Hydro is a leader among energy companies in North America, recognized for providing highly reliable service and exceptional customer satisfaction. Join our team of Manitoba's best as we continue to build a company that supports innovation, commitment and customer service.

We are seeking Indigenous candidates interested in training for a career as a Power Electrician.

Our Pre-Placement Training Program is a six month program designed to provide Indigenous candidates with on-the-job training and academic upgrading to meet the minimum requirements to qualify and compete for a position in an upcoming Power Electrician recruitment.

Following completion of the Pre-Placement training, successful candidates will be considered for the 4 year Power Electrician apprenticeship program which includes additional on-the-job training, trade schools and formal classes at Red River College. During your training, you will be stationed at various locations throughout the province and may require relocation to Northern Manitoba.

Qualifications:

High school graduate or mature student with at least one of the following credits: Mathematics 40S (Applied or Pre-Calculus); Physics 40S; or English 40. Equivalent academic qualifications may require validation from the Department of Education or Manitoba Labour & Immigration.

Possess a valid Class 5 Manitoba Driver's Licence (intermediate or full) or be eligible to obtain one.

Physically capable of performing all the duties of the position.

Capable of communicating effectively orally and in writing.

Have good hearing and accurate colour perception.

Be capable of working in a variety of environments, within confined spaces and at heights requiring bucket truck or ladder work.

Have basic computer skills.

Be willing to acquire an approved set of personal hand tools.

Have a mechanical aptitude to satisfy all requirements of the position.

Willing to attain the educational requirements.

Be willing to relocate to various locations within Manitoba

All applications must include the following information:

Current resume and cover letter

High school and any post secondary school transcripts or training certificates

Proof of Indigenous ancestry

The email address you submit in your application profile will be used as the main form of correspondence throughout the

recruitment process. Please monitor your email inbox on a regular basis.

Documents can be scanned and attached to your online profile or faxed to 204-360-6120 referencing the Power Electrician Indigenous Pre-Placement Program recruitment.

The selection process includes aptitude testing a panel interview and a one Skills Assessment and Trades Orientation (SATO) program. Selected candidates must provide a current driver's abstract at that time. To help candidates prepare for SATO, a "Skills Assessment and Trades Orientation Physical Training Guide" is available at the following link: https://www.hydro.mb.ca/careers/training_programs/power_electrician/
