

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests

Dawson Creek, Fort St John (Hybrid)

Flexible work options are available; this position may be able to work up to two (2) days at home per week subject to an approved telework agreement.

Applicants who do not fully meet the required qualifications may be considered for this position, but at a lower classification.

Forest Technologist

STO-RE 18R: \$62,255.85 - \$70,557.73 annually

STO-RE 15R: \$57,296.54 - \$64,805.30 annually

BC Timber Sales (BCTS) works with regional and district operations to plan, develop, and auction the province's timber. A career path in BCTS offers exceptional opportunities to develop new solutions to complex problems and to learn and grow personally and professionally. Existing and future employees have the opportunity to impact public and private forests, communities, the economy and the lives of British Columbians in positive and unique ways. To find out more, check out the BCTS website and this video.

The Forest Technologist acts with specialized knowledge and training on the practice of professional forestry when performing a variety of functions, including planning, engineering, timber sales and silviculture activities.

Explore the value of working with our team: [Why Work for the Ministry of Forests](#).

Qualifications for this role include:

- Graduation with a diploma or a degree in resource or forestry management.
- Registered with Forest Professionals British Columbia (FPBC) as a Registered Forest Technologist (RFT) or Registered Professional Forester (RPF) AND a minimum of two years of experience in operational field forestry activities, or
- Enrolled, or eligible for immediate enrollment, with Forest Professionals British Columbia (FPBC) as a forest professional in training (TFT, ASTFT, FIT, ASFIT), for the purpose of obtaining an RFT or RPF designation AND a minimum of four years of experience in operational field forestry activities.

Operational field forestry activities include one or more of the following:

- Timber harvesting cut-block development
- Forest road engineering
- Silviculture
- Harvest operations
- Compliance and enforcement
