

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

<b>Job</b>	Type: Full-time	Category: Supply Chain and Purchasing
<b>Job Start Date</b>	As soon as possible	
<b>Job Salary</b>	\$47.60 To \$80 Per Hour	
<b>Languages</b>	Fluency In Chinese For Efficient Negotiations And Interactions With International Suppliers.	

### Description

Alpha Living DIY Homes Ltd., a premier entity in the construction materials sector, is on the lookout for a dedicated Global Purchasing Manager. This full-time role demands a strategic individual capable of managing the Company's purchasing operations across the globe. The chosen candidate will play a crucial role in negotiating terms with global suppliers and crafting sourcing strategies that align with its corporate objectives, ensuring that the Company benefits from competitive pricing, cost and supply chain efficiency, without compromising on quality.

Location: 11591 Bridgeport Road, Richmond, BC V6X 1T5

Term of Employment: 3 years

Travel Requirements: International travel is required.

#### **\*\*Responsibilities:\*\***

##### **Strategic Planning & Project Management:**

- Collaborating with internal stakeholders to accurately forecast product quantities and inventory levels.
- Planning and executing all activities related to procurement by implementing procurement strategies and forecasting procurement needs; including related budgets.
- Developing, deploying and managing the annual merchandising plan to drive sales conversion, increased average order value, and support overall company goals; including related budgets.
- Identifying unique, underdeveloped, emerging or new products or categories, and recommending product promotions, price changes, de-listings and clearances based on statistical analysis, competitive landscape, customer feedback, and web analytics.

##### **Procurement:**

- Developing and managing procurements policies, procedures, forecasts and budgets ensuring alignment with best practices and guidelines as well as the organization's strategic plan.
- Managing the required procurement processes (e.g. orders, work orders and requisitions for all

varieties of construction materials, supplies, equipment, bids for potential commodities, supplies equipment, and services, etc.) for the purpose of acquiring necessary resources to support the business operations.

- Overseeing supplier selection process based on price, quality, support, capacity and reliability.
- Developing and maintaining strategic relationships with approximately 100 suppliers.
- Evaluating/renewing contracts to ensure supplier compliance with legal requirements and organizational policies.
- Performing periodic market trend analyses in the specific categories; analyzing supplier base, industry changes, etc.

#### **Demand Planning:**

- Formulating demand plans according to sales forecasts and inventory turnover; following up to ensure that targets for best-selling products, new products, seasonal and regular products are met, and inventory turnover term control are met.
- Providing regular reports on the results of the warehouse operations (3 warehouse locations) and providing reliable forecasts.

#### **People Leadership & Development:**

- Accountable and responsible for performance management of purchasing team members.
- Leads by example to ensure a respectful work environment and positive corporate culture.

#### **Experience**

A minimum of three years of proven hands-on experience in global procurement and supply chain management.

#### **Education Requirements**

A college diploma or Bachelor's degree in Business Administration, Supply Chain Management, or a comparable discipline.

#### **Essential Skills**

- Fluency in Chinese for efficient negotiations and interactions with international suppliers.
- Strong negotiation skills and ability to build and maintain relationships with suppliers.
- Excellent analytical and problem-solving abilities.
- Exceptional communication and leadership skills.
- Readiness for international travel to meet with suppliers, inspect operations, and ensure quality compliance, when needed.
