Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

TENURE-TRACK ASSISTANT PROFESSOR APPOINTMENTS

FACULTY OF DESIGN

Committed to excellence and contemporary approaches to education, OCAD U offers seventeen undergraduate programs, seven graduate programs, and a variety of continuing education courses in art, media and design. OCAD U is currently seeking outstanding, creative researchers/practitioners and gifted, collaborative teachers to augment its professoriate in the following opportunities. It is an exciting time to join the OCAD U community as the University is at a key stage in its institutional transformation, with its Creative City Campus capital project and the implementation of its Academic Plan with six guiding principles: decolonization, diversity and equity, sustainability, valuing faculty, interdisciplinarity and health and wellness.

In order to alleviate the under-representation of racialized and Indigenous tenure-track faculty, this position is open only to qualified racialized and Indigenous persons who self-identify as such in the application process. This initiative is a special program under the Ontario Human Rights Code.
