

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

At Rogers, we connect Canadians to a world of possibilities and the memorable moments that matter most in their lives. Every day we wake up with one purpose in mind. To bring loved ones together from across the globe. To connect people to each other and the world around them. To help an entrepreneur realize their dream. A sports fan celebrate a special moment. Because we believe connections unite us, possibilities fuel us, and moments define us. As we grow our team, the well-being of our team members remains our top priority. To ensure the health and safety of our team members, including those in the recruitment process, our team members are temporarily working from home.

Ted Next; Senior Financial Analyst

Position Overview: Rogers Bank is currently looking for a Sr. Financial Analyst to support financial planning and analysis function. Reporting to the Senior Finance Manager, this position requires strong analytical and interpersonal skills coupled with technical expertise. The incumbent will act as a keeper of the bank's multi-year forecasting model, participate in a diverse range of analysis initiatives, oversee the bank's Capital project reporting and approval process as well as coordinate with multiple stakeholders across the bank and with various functions in RCI. The role will also balance various tasks/demands, delivering highly accurate output in a timely manner.

Ted Next; Key responsibilities include:

- Oversee the bank's multi-year business forecasting model, including updates for actuals, annual maintenance and enhancement activities as well as model documentation;
- Support the bank's forecasting cycle activities and documentation, including calendar management, compiling assumptions, ensuring completeness of supporting documentation;
- Prepare the bank's monthly departmental expense reporting, including variance analysis and investigation;
- Manage the bank's capital project reporting and forecasting, as well as respond to various inquiries from both RCI and bank leadership;
- Oversee project submission requirements and coordinate with internal bank as well as RCI Capital stakeholders to provide all relevant financial information on time as necessary for the approvals.
- Assist with business case modeling, including compiling relevant information and validating key assumptions;
- Participate and lead various ad hoc analysis and investigation initiatives, including development of new forecasting capabilities and analysis tools.

Ted Next; Key qualifications:

3-5 years of progressive experience within finance, with exposure to financial analysis function

University degree in business with a concentration in finance, accounting or economics

Accounting designation, or in progress of obtaining one is an asset (CA, CMA, CGA, CPA)

Strong analytical skills, with proven ability identify trends and relationships

Expert level Excel skills (including fluency with pivots) coupled with experience in financial modeling

Knowledge of database and data tools, with ability to extract and analyze diverse data sets (SAS knowledge is an asset)

Attentions to details with proven track record of delivering highly accurate output

Strong problem solving and effective communication skills with ability to build collaborative relationships with diverse cross-functional stakeholders

Self-motivated professional with a positive attitude, continuously seeking for process improvements

Schedule: Full time

Shift: Day

Length of Contract: Not Applicable (Regular Position)

Work Location: 350 Bloor Street East (299), Toronto, ON

Travel Requirements: None

Posting Category/Function: Banking & Analytics

Requisition ID: 219977

Together, we make more possible, and these six shared values guide and define our work:

Our people are at the heart of our success

Our customers come first. They inspire everything we do

We do what's right, each and every day

We believe in the power of new ideas

We work as one team, with one vision

We give back to our communities and protect our environment

What makes us different makes us stronger. Rogers has a strong commitment to diversity and inclusion. Everyone who applies for a job will be considered. We recognize the business value in creating a workplace where each team member has the tools to reach their full potential. At Rogers, we value the insights and innovation that diverse teams bring to work. We work with our candidates with disabilities throughout the recruitment process to ensure that they have what they need to be at their best. Please reach out to our recruiters and hiring managers to begin a conversation about how we can ensure that you deliver your best work. You matter to us!
